

PIPRP Conference talks, presentations and seminars

(Updated April 2018)

- Balbaligo, Y. 2008. Earthenware pottery from Ille Cave, the Philippines. 12th International Conference of the European Association of Southeast Asian Archaeologists (EurASEAA12), Leiden, September 1-5, 2008. (lecture)
- Balbaligo, Y. 2008. Recent excavations at Ille Cave, Palawan, the Philippines. Second Southeast Asian Workshop, University College London Institute of Archaeology, May 22, 2008. (lecture)
- Balbaligo, Y. 2009. Technology and style of earthenware pottery from Ille Cave, Palawan, the Philippines. Indo-Pacific Prehistory Association Conference, Hanoi, 30th November-5th December, 2009. (lecture)
- Balbaligo, Y. 2010. On the red ware at Ille Cave, Palawan, Philippines. Southeast Asian Archaeology Workshop III, 10 June 2010, University of Oxford. (lecture)
http://www.york.ac.uk/media/archaeology/images/news/newsletterfiles/SEAAW_3_Provisional_Programme.pdf
- Balbaligo, Y. 2010. Similar but different: an update on the Ille earthenware. Binalot talk, Archaeological Studies Program, University of the Philippines Diliman, http://asp.upd.edu.ph/images/binalot_20091118.jpg
- Balbaligo, Y. 2012. Ceramic and social practices at Ille Cave, Philippines. 4th Southeast Asian Archaeology Workshop, 29 June 2012, CNRS Mondes iraniens et indiens, Paris. (lecture) Abstract at: <http://www.iran-inde.cnrs.fr/spip.php?article446&lang=fr> and <https://median.hypotheses.org/category/autres-publications>
- Balbaligo, Y. 2012. Ceramics and social practices at Ille Cave, Philippines. EurASEAA 14th International Conference, September 18-21, 2012, Dublin. (lecture) Abstract at: http://euraseaa14.sharpsands.com/live/session_display/display_session_detail.php?thisID=163. Also reviewed in *SAS Bulletin* Winter 2012 at: <http://www.socarchsci.org/bulletin/SAS3504.pdf>
- Basilia, P. 2006. Post-Neolithic shell beads from Ille Cave, El Nido, Palawan: A case of specialization. 18th Indo-Pacific Prehistory Association Congress, University of the Philippines Diliman, Quezon City, March 20-26, 2006. (lecture)
- Basilia P., Bautista, A. & Szabó, P. 2006. Post-neolithic shell beads from Ille Cave, Palawan: A case of specialisation? 18th Indo-Pacific Prehistory Association Congress, University of the Philippines Diliman, Quezon City, March 20-26, 2009. (lecture)
- Basilia, P. & Lim, E. 2009. An investigation of taphonomic effects on *Tridacna* sp. microstructures. Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Carlos, J. 2007. Reconstructing plant use from macrobotanical remains at Ille Cave, Palawan, Philippines. 5th European Southeast Asian Studies (EuroSEAS) Conference, University of Naples l'Orientale, September 11-15, 2007. (lecture)
- Carlos, J. 2009. *Canarium hirsutum* W. in terminal Pleistocene to Holocene Philippines: implications for ancient plant use. Paper presented at the 'Exploring Insular Technologies in the Indo-Pacific World' session, Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Carlos, J. 2009. The metal artefacts at Ille Cave, Palawan, Philippines. 19th Congress of the Indo-Pacific Prehistory Association, Hanoi, Vietnam, 30th November-5th December, 2009. (lecture)
- Cayron, J. 2010. Beads of Sibaltan. Luce Southeast Asia Archaeology fieldschool, Sibaltan, Palawan. (seminar)
- De Castro, L. 2016. What are we doing? A small museum, a lot of storytelling and our adventures in the Dewil Valley. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/nov_23_2016.png
- Favereau, A. 2016. Circulation and exchange of pottery in the South China Sea (500 BC-AD 500). Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/feb_24_2016.jpg
- Fernando, A. 2017. What fossils can we see inside the Ille Cave? (poster)
- Johnston, V.E., Hernandez, V. & Lewis, H. 2014. A novel geochemical proxy for reconstructing relative sea-level changes in archaeological sediments: Results and implications for Tabon and Ille Caves, Palawan, Philippines. 20th Congress of the Indo-Pacific Prehistory Association, Siem Reap, 12-18th January, 2014. (lecture)
- Hernandez, V. 2010. Where is the Neolithic in Ille Cave, Palawan? Binalot talk, Archaeological Studies Program, University of the Philippines Diliman, March 24, 2010 (seminar)
- Kress, J. 2012. Tabon Cave, Pilanduk Cave, Ille Cave: the Palawan lithic tradition. 14th International Conference of the European Association of Southeast Asian Archaeologists, 18-21 September, 2012, Dublin (lecture)

- Kress, J. 2014. The lithics of Pilanduk Cave. 20th Congress of the Indo-Pacific Prehistory Association, Siem Reap, 12-18th January, 2014. (lecture)
- Lara, M., Paz, V., Lewis, H., Kress, J. & Medrana, J. 2009. The context of modified human remains in early Holocene Palawan. 19th Congress of the Indo-Pacific Prehistory Association, Hanoi, 30th November-5th December, 2009. (lecture)
- Lara, M. Lewis, H. & Paz, V. 2014. Early Holocene cremation burials from Ille site, Palawan, Philippines: description and regional significance. 20th Congress of the Indo-Pacific Prehistory Association, Siem Reap, 12-18th January, 2014. (lecture)
- Lewis, H. 2002. The potential of soil micromorphology in Southeast Asian archaeology. Binalot talk at the Archaeological Studies Program, University of the Philippines Diliman, Quezon City, May 7, 2002. (seminar)
- Lewis, H. 2003. Land use and landscape in Southeast Asian prehistory: geoarchaeological approaches. Binalot talk, Archaeological Studies Program, University of the Philippines Diliman, Quezon City, March 17, 2003. (seminar)
- Lewis, H. 2003. Prehistoric cave occupation deposits in tropical Island Southeast Asia. Sarawak Museum. (poster)
- Lewis, H. 2004. Caves in tropical Island Southeast Asian landscapes. European Association for Southeast Asian Studies Conference, British Museum, London, September 14, 2004. (lecture)
- Lewis, H. 2004. Cultural cave deposits in Island Southeast Asia. International Workshop on Soil Micromorphology and Archaeology, University of Stirling, June 5, 2004. (lecture)
- Lewis, H. 2006. Soil micromorphology of cultural cave deposits in Palawan and Borneo: results and questions from Tabon Cave and Niah Cave. 18th Congress of the Indo-Pacific Prehistory Association, Manila, 24-27th March, 2006. (lecture)
- Lewis, H. 2006. Prehistoric cave occupation deposits in Island Southeast Asia. Irish Quaternary Association (IQUA) meeting, Dublin, November 24, 2006. (poster)
- Lewis, H. 2006. Prehistoric cave sites and their landscapes: studies in Malaysian Borneo and the southern Philippines. University College Dublin Archaeological Society, November 14, 2006. (seminar)
- Lewis, H. 2006. Exploring cave sediments for occupation and landscape history in Island Southeast Asia School of Geology, University College Dublin, November 13, 2006. (seminar)
- Lewis, H., 2006. Caves and landscapes in Island Southeast Asia: new research in the Philippines and Borneo. Department of History and Welsh History, University of Wales, Bangor, May 9, 2006. (seminar)
- Lewis, H. 2006f. Cultural cave deposits in Island Southeast Asia: results of soil micromorphological studies from Tabon and Ille Caves, Palawan. Archaeological Studies Program, UP Diliman, Quezon City. (seminar)
- Lewis, H. 2006. Soil micromorphological applications to sites and landscapes. Institute of Archaeologists of Ireland, Dublin, Ireland, 19th October 2006. (poster)
- Lewis, H. 2006. Characterising archaeological occupation surfaces, boundaries and enclosed spaces through soil micromorphology. European Association of Archaeologists Conference, Krakow, 8-10th October, 2006. (lecture)
- Lewis, H. 2008. Regional modelling of Pleistocene-Holocene palaeoenvironmental change and cultural adaptation in archaeologically important landscapes on Palawan Island, Philippines. Discovering our Past archaeological research seminar, University College Dublin School of Archaeology, December 11, 2008. (seminar)
- Lewis, H. 2008. Ille Cave Project: final field season and some post-excavation results. 2nd Southeast Asian Workshop, University College London Institute of Archaeology, May 22, 2008. (lecture)
- Lewis, H. 2008. Terminal Pleistocene to mid Holocene occupation and an early cremation burial at Ille Cave, Palawan, Philippines. World Archaeological Congress, Dublin, June 29-July 4, 2008. (lecture)
- Lewis, H. 2009. Using soil micromorphology to understand cultural deposits in Southeast Asian caves: some results from studies in Malaysian Borneo, the south Philippines and northern Lao PDR. Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Lewis, H. 2014. UCD School of Archaeology and Southeast Asian prehistory: the past three years updates. People and their worlds: archaeological research seminar 2013/14. University College Dublin School of Archaeology, 1st May, 2014 (lecture)
- Lewis, H. and Barton, H. 2007. Consultation poster on unidentified tool marks at Ille Cave, Palawan, South Philippines. Developing International Geoarchaeology conference, University of Cambridge (poster)
- Lewis, H. and Paz, V. 2016. Austronesians and Palawan Island: assessing regional models from local archaeology. Robert Fox's 'Early Neolithic' and non-Austronesian burials at the Ille site. International Symposium on Austronesian Diaspora, Nusa Dua, Bali, Indonesia, June 18-23, 2016. (lecture)

- Lewis, H., Paz, V., Lara, M., Barton, H., Piper, P., Ochoa, J., Vitales, T.J., Carlos, J., Higham, T., Neri, L., Hernandez, V., Stevenson, J., Robles, E., Rragio, A., Padilla, R. Solheim II, W. & Ronquillo, W. 2008. Terminal Pleistocene to mid Holocene occupation and cremation burial at Ille Cave, Palawan, Philippines. 6th World Archaeological Congress, University College Dublin, June 30, 2008. (lecture)
- Medrana, J.G.L. 2008. Destination archaeology: Tabon Cave complex and Ille Cave as re-presented in tourism advertising. Performing Heritage Conference, Ugnayang Pang-Aghamtao, Inc., Anthropological Association of the Philippines 30th Annual Conference, San Fernando, Pampanga, October 23-25, 2008. (lecture)
- Ochoa, J. 2009. Subsistence at Ille Cave, Palawan, Philippines. Paper presented at the Indo-Pacific Prehistory Association Conference, Hanoi.
- Ochoa, J. 2010. Palaeozoology of Palawan Island, Philippines. Department of Anthropology Department, Harvard University. Peabody Museum, 12 Nov 2010. (seminar)
http://webcache.googleusercontent.com/search?q=cache:lksoCB2p8mwJ:www.fas.harvard.edu/~anthro/bulletin/bulletin_november.pdf+&cd=134&hl=en&ct=clnk&gl=ie
- Ochoa, J. and Piper, P. 2010. Late Quaternary vertebrates of Palawan Island, Philippines: archaeozoological evidence for palaeoecological change and anthropogenic impact. 11th International Conference of ICAZ, 23-28 August, 2010, Paris. (lecture)
http://alexandriaarchive.org/bonecommons/exhibits/show/icaz2010paris/session3_1/item/1423
- Ochoa, J. and Robles, E. 2009. Palawan palaeozoology and palaeogeography: faunal and subsistence change from the LGM to the Late Holocene. Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Paz, V. 2004a. Looking for human settlements in the archaeology of the Philippines. European Association for Southeast Asian Studies conference, British Museum, London. (lecture)
- Paz, V. 2004b. Ille karst excavation 2004 season. Binalot talks, Archaeological Studies Program, University of the Philippines. (seminar)
- Paz, V. 2004c. Situating the Peopling of the Philippines Project: an approach to collaborative research. Asian Fore-arc Project conference. RSPAS, Australian National University, Canberra. (lecture)
- Paz, V. 2005a. Expanding the research horizon on the Neolithic of Island Southeast Asia. Southeast Asia: A Global Crossroads, SEASREP 10th Anniversary Conference, Chiang Mai, 8-9 December, 2005. (lecture)
- Paz, V. 2005b. The Philippine Islands and the discourse on Austronesian dispersals. International Symposium on the Dispersal of the Austronesians and the Ethnogenesis of People in the Indonesian Archipelago, Indonesian Institute of Sciences, Solo, June 28-July 1, 2005. (lecture)
- Paz, V. 2005c. The Philippines between Asia and Oceania: Austronesian dispersal and other ancient population dispersal hypotheses. The Philippines Between Asia and Oceania Conference, University of the Philippines Diliman, Quezon City, March 2, 2005. (lecture)
- Paz, V. 2005d. Update on the research initiative at the Dewil Valley, New Ibajay, El Nido, Palawan. Binalot talk at the Archaeological Studies Program, University of the Philippines Diliman, Quezon City, February 16, 2005. (seminar)
- Paz, V. 2006. Situating jade artefacts in the overall archaeology of Palawan. Solheim Foundation for Archaeological Research, Ortigas Foundation Library, San Juan, Metro Manila, March 5, 2006. (lecture)
- Paz, V. 2007a. The study of Holocene Southeast Asian archaeological sites through archaeobotany and other environmental archaeology methods. International Module, Quaternary and Prehistory 11, Master Erasmus Mundus, Departement de Préhistoire, Museum Nationale d'Histoire Naturelle, Paris, December 5-7, 2007. (seminar)
- Paz, V. 2007b. Tale of two projects: 2007 update on the Palawan and Mindoro archaeological initiative. 8th Annual National Conference of the Katipunan ng mga Arkeologist ng Pilipinas, Inc. (KAPI), University of the Philippines Diliman Bonsai Garden, Quezon City, December 20, 2007. (lecture)
- Paz, V. 2008a. The archaeology of Palawan. Oriental Ceramic Society of the Philippines monthly meeting, Makati, Metro Manila, June 24, 2008. (lecture)
- Paz, V. 2008b. An update on the archaeology of the Dewil Valley. Solheim Foundation for Archaeological Research, Ortigas Library, San Juan, Metro Manila, March 16, 2008. (lecture)
- Paz, V. 2008c. Palawan archaeology. Keynote lecture at the Palawan State University, Puerto Princesa, sponsored by the Philippine Studies Society, Social Sciences Department and the College of Arts and Humanities, September 19, 2008. (lecture)
- Paz, V. 2009a. Some insights on the Dewil Valley research, El Nido, Palawan. Binalot talk at the Archaeological Studies Program, University of the Philippines Diliman, Quezon City, February 11, 2009. (seminar)
- Paz, V. 2009b. Public archaeology in the Philippines. Lecture in Prof. J. Richmann's graduate level cultural heritage law class, University of Washington, Seattle, April 14, 2009. (seminar)

- Paz, V. 2009c. State of archaeology in the Philippines. Department of Anthropology, University of Washington, Seattle, April 13, 2009. (seminar)
- Paz, V. 2009d. The archaeology of Palawan Island. FAALS talk, University of Washington, Seattle, April 10, 2009. (seminar)
- Paz, V. 2009e. Archaeology and post-oriental cosmopolitanism. Brownbag lecture, Anthropology Department, University of Washington, Seattle, April 13, 2009. (seminar)
- Paz, V. 2009f. History and the history of archaeology in the Philippines. Philippine Studies Colloquium, University of Hawai'i, Manoa, April 3, 2009. (lecture)
- Paz, V. 2009g. Heritage management and archaeology in the Philippines. Anthropology Colloquium University of Hawai'i, Manoa, April 2, 2009. (lecture)
- Paz, V. 2009h. Introduction to Palawan archaeology. Malayan Colleges, Laguna, March 27, 2009. (lecture)
- Paz, V. 2009i. Palawan Island Palaeohistoric Project. Southeast Asia Petroleum Exploration Society (SEAPEX), Citi Bank Tower, Makati, Metro Manila, March 19, 2009. (lecture)
- Paz, V. 2010. Reinterpreting stone boat shaped burial markers. Binalot talk, Archaeological Studies Program, University of the Philippines Diliman, March 10, 2010 (seminar)
- Rice, K. and Hernandez, V. 2010. Local identities: new perspectives on the Neolithic of the Philippines. Southeast Asian Archaeology Workshop III, 10 June 2010, University of Oxford. (lecture)
http://www.york.ac.uk/media/archaeology/images/news/newsletterfiles/SEAAW_3_Provisional_Programme.pdf
- Rice, K., Hernandez, V., Lewis, H., Paz, V. and Ronquillo, W. 2009. Searching for the Neolithic of Ille Cave, Palawan, the Philippines. Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Robles, E.C. 2006. Sea levels and Palawan Island archaeology. 18th Indo-Pacific Prehistory Association Congress, University of the Philippines Diliman, Quezon City, March 20-26, 2009. (lecture)
- Robles, E. 2014. Modelling Philippine coastlines, river systems and land bridges during the Quaternary: a GRASS GIS approach. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/sep_17_2014.jpg
- Ronquillo, W. 2004. Philippine archaeology at the turn of the third millennium. European Association for Southeast Asian Studies conference, British Museum. (lecture)
- Spriggs, M. 2008. A new program of obsidian sourcing in island Southeast Asia to look at pre-Neolithic and Neolithic mobility and exchange. 12th International Conference of the European Association of Southeast Asian Archaeologists (EurASEAAA12), 1-5 September 2008, Leiden. (lecture)
- Thornberg, L. 2012. Envisioning an ecomuseum on Palawan: steps in the process in Sibaltan. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/binalot_20120801.jpg
- Thornberg, L. 2017. Community-run tourism project that inexplicably works: the case of the Balay Cuyonon. Fulbright Association of Western Washington talk at the Seattle Athenaeum., March 1, 2017. (lecture)
<https://www.facebook.com/FulbrightWesternWA/photos/a.10155083099909520.1073741833.156728214519/10155083109134520/?type=3&theater&ifg=1>
- Villaluz, S.A. 2013. Enteseal changes in adult human remains from Ille Cave, El Nido, Palawan: a preliminary study. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/dec_11_2013.jpg
- Villaluz, S.A. 2016. A day in the life: an osteobiography of an individual from Ille Archaeological Site, El Nido, Palawan. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar)
http://asp.upd.edu.ph/images/may_11_2016.jpg
- Vitales, T. 2006. Bailleurs in the grave: a closer look at the Melo sp. shell artefacts found in Palawan and other Philippine sites. 18th Indo-Pacific Prehistory Association Congress, University of the Philippines Diliman, Quezon City, March 20-26, 2009. (lecture)
- Vitales, T. 2009. Beyond subsistence: cultural usages and significance of bailer shells in Philippine prehistory. Indo-Pacific Prehistory Association (IPPA) congress, Hanoi, 30th November-5th December, 2009. (lecture)
- Xhaufclair, H. 2012a. An attempt to improve our understanding of plants working during the Pleistocene in Palawan Island, Philippines: the contribution of present local knowledge. 14th International Conference of the European Association of Southeast Asian Archaeologists, 18-21 September, 2012, Dublin. (lecture)
- Xhaufclair, H. 2012b. [Des outils en bambou en Asie du Sud-Est à la préhistoire ? Une tentative d'approche mêlant ethnoarchéologie et archéologie expérimentale.](#) XXXIIIe Rencontres Internationales d'Archéologie et d'Histoire d'Antibes, Antibes. (lecture)

- Xhaufclair, H. 2015. Plant use in the subsistence strategies of prehistoric hunter-gatherers in Palawan Island assessed from the lithic industry. Binalot talk, Archaeological Studies Program, University of the Philippines (seminar) http://asp.upd.edu.ph/images/may_6_2015.jpg
- Xhaufclair, H. and Pawlik, A. 2012. Understanding the use and processing of plants in Southeast Asia during the Late Pleistocene. Building up a reference for use-wear studies. International Conference on Use-wear Analysis, Universidade do Alentejo, October 2012. (lecture)
- Xhaufclair, H., Pawlik, F.A. and Forestier, H. 2012. Questioning the reality of 'lignic industries': an endeavour to isolate and characterise use-wear due to bamboo working on stone tools. 14th International Conference of the European Association of Southeast Asian Archaeologists, 18-21 September, 2012, Dublin. (poster)
