Feedback from our 2017 participants

Thaitin gach rud faoi Thionól Bhord na Gaeilge liom. Thar aon rud eile thaitin an múinteoir liom.

Miriam O'Callaghan

Coming from a foreign country, I appreciated the opportunity to speak a lot in class. I found there was a good balance in the course ... the accommodation was also excellent.

Matthew Tran-Adams

I enjoyed the camaraderie of my class mates and the atmosphere on campus in summer. One didn't feel like being on the fringe of the city.

John Brownlee

The standard far exceeded my expectations and introduced me to many aspects of Irish poetry and literature. Fascinating introduction to music, dance and song, loved the dancing lesson!

Anne Kiernan

... there was a fantastic balance between active learning in the morning and more traditional lectures in the afternoon. Everything ran wonderfully smoothly.

Áine Mahon

Bhí caighdeán ard san ardrang agus bhí múinteoir den scoth againn ... bhí na léachtaí an-suimiúil ar fad agus thaitin imeachtaí na hoíche liom chomh maith.

Caroline Hegarty

It was interesting and just at the right pitch for me ... I love the language but didn't enjoy it at school ... I hill-walk and have a great interest in the meaning of names of mountains, which can often explain local geography or history.

Anne Drummond

The summer school was a great experience, with superb quality teaching and very informative lectures in the afternoons ... I would highly recommend it to anyone, whether Irish or not.

Dominic Lawson

Thaitin an sceideal ama agus na gníomhaíochtaí liom. Bhí an Tionól eagraithe go han-mhaith.

Nioclás Condun

It was a great opportunity to revise and learn more Irish in a friendly, welcoming and encouraging atmosphere. The week of Irish immersion flew by, greatly improving my knowledge. A few weeks ago, I met Uachtarán Michael D. Higgins, his wife Sabina and the two dogs strolling in the grounds of the Áras. I greeted them 'as Gaeilge' and we chatted away! I was so pleased to converse with our President in my native tongue, something that would have been impossible a year ago.

Sinéad Ni Fhailbhe

Bhíomar ag caint go leor gan strus agus tá níos mó Gaeilge agam anois. Bhí na daoine cairdiúil. Bhí an Tionól eagraithe go han-mhaith.

Patrick Ó Murchú

Thaitin sé liom go raibh caighdeán/leibhéal ard ag na daoine eile san ardrang ... Bhí na léachtaí go hiontach ar fad.

Brid Monaghan

I liked the general friendliness and the way the course was organised. Good choice of lectures and workshops.

Lisa Shield

Thaitin Tionól Gaeilge UCD go mór liom. Bhí meascán maith de ghramadach agus de chomhrá ann, agus táim ag súil leis an mbliain seo chugainn.

Aoife Ní Chonchubhair

Brilliant course and our tutor was superb. I loved the afternoon lectures too ... I made nice friends too, and found the course to be a very social experience.
