

School of Chemistry

Safety Declaration Form

I hereby state that I have read and understand the key documentation from the School of Chemistry website (<https://www.ucd.ie/chem/about/healthandsafety/>) listed below, and will abide by the rules and policies laid out there. I have discussed with my supervisor (or nominee) what other documents on the website will be relevant to my research and have read, understood, and will abide by them.

Safety Policies	
Safety Statetment	
Building Access and Security	
Quarterly Safety Audit Procedure	
Policy on Official Warnings	
Laboratory Practices	
Policy on Clothing and PPE	
Policy on Laboratory Etiquette	
Policy on Prescription Lens Safety Glasses	
Policy on Unattended Experiments	
Transporting Liquid Nitrogen Belly Dewars	
Filling Liquid Nitrogen Belly Dewars	
Operation of Grubbs-Type Dry Solvent Stills	
Azides and Other Potentially Explosive Materials	
Hydrogen Gas Detection in CSCB	
Policy on Malodorous Chemicals	
Glove Box Operation	
Vacuum Pumps and Evacuated Apparatus	
Fumehood Operation in Science South	

tick if read and understood	
Hazardous Waste	
Hazardous Waste Management Manual	
Hazardous Waste Streams Flowchart	
Quick Guide to Waste Management in Stores	
Stores Compound Layout	
Irregular Lab Smalls Waste Form	
Emergency Procedures	
Fire Evacuation Notice	
Chemical Spillage/Emergency Response Notice	
List of First Aiders	
AEDs	
Emergency Showers	
Eye Wash Stations	
First Aid Kits	
Spill Kits	
Relevant Risk Assessments	
<i>Understand that pre-filled templates are not a substitute for your own risk assessments</i>	

Category (Staff, PhD, MSc,
Intern, etc.):

Lab Location and Phone No.:

Name (Block Capitals):

Signature:

Date:

Name of Supervisor or Nominee:

Signature:

This form must be signed and returned to the Safety Coordinator before you commence practical experiments.
