IX Awards based on Extenuating Circumstances - STUDENT GUIDANCE INFOGRAPHIC

An infographic to explain how to remediate an IX grade awarded by the Extenuating Circumstances Approvals Committee (ECAC)

- IX Awarded based on your Extenuating Circumstances

 Awarded IX grade(s) will be visible on your SISWeb
 academic record.
 - You and your Module Coordinator are informed of the IX award through an automated email.

Note: the IX grade can take several days to appear in SISWeb. If you have any queries or concerns, please contact the Student Connector as soon as possible.

Extenuating Circumstances Approvals Committee (ECAC)
Recommendation

- You are required to contact your module coordinator directly to discuss how to remediate the IX grade.
- Your module Coordinator decides when and how the remediation takes place. It needs to be completed within 2 trimesters (maximum and inclusive of Summer) per Academic Regulations.

2 Trimesters to remediate per Academic Regulation 4.31

What if I can't remediate within 2 Trimesters?

 Contact the College of Engineering and Architecture office for further advice as soon as possible.

Note: It is your responsibility to ensure that you engage with remediation of IX modules in line with Academic Regulation 4.31
