

## Professional Diploma in Educational Leadership (PDEL)/ MEd Leadership

(Blended programmes to facilitate access from throughout the Country)

The School of Education, UCD, provides a one-year part-time Postgraduate Diploma in Educational Leadership (PDEL), a programme for practicing teachers who are invested in building their leadership capacity, while simultaneously enhancing their career trajectories. It is possible to build on this solid Diploma foundation by completing an additional year (part-time) and graduate with a Masters in Educational Leadership (MEd Leadership).

The programme commences annually in September, and places for the Autumn intake are in the process of being filled.

If you would like to know more about the programme, its structure, modules, and assessment requirements, please join us remotely on Tuesday 14<sup>th</sup> May @ 6.30 pm.

For planning purposes, please click [here](#) to register for this session and you will be sent a link via email to join the webinar.

We look forward to seeing you then,

Assistant Professor John O'Sullivan

Associate Professor Enda Hickey (Adjunct)

Andrew Woods, Educational Technologist
