

Compassionate Leave

Compassionate Leave may be granted to provide staff with time away from work at a time of personal or family need, especially when there is a death in the family. Leave with pay will be available on the death of an immediate relative (spouse, mother, father, sister, brother, child, mother-in-law, father-in-law) for a maximum of three days.

Force Majeure Leave

In exceptional circumstances in the event of serious and unforeseen illness of an immediate relative, arrangements for paid force majeure leave may be made. (See UCD Parental Leave Policy)

All arrangements for compassionate leave should be agreed with the Head of School/Unit.
