

Alert List UCD

1. Changes to Programme Entry Pathways

Starting:	Course:	Change:
2017	DN615 BCL Maîtrise	The BCL Maîtrise will no longer exist as a separate entry pathway. Students who enter Law with French Law (DN600) can apply for a place in this degree option following first year.
2017	DN140 Structural Engineering with Architecture	Structural Engineering with Architecture will no longer be a separate entry pathway but will be a degree option in DN150 Engineering.
2017	DN512 English with Drama	English with Drama will no longer exist as a separate entry pathway. English and Drama Studies will be offered via DN500 BA Programme
2017	DN501 BA Part-time	The BA Part-time programme is no longer a separate entry route. However, students who enter DN500 may opt to study part-time at registration.

2. Changes in Entry Requirements

Starting:	Course:	Change:
2017	All courses	Leaving Certificate grading is changing for 2017. UCD entry requirements, in terms of the new grading system, are available on www.ucd.ie/registry/admissions/er.html
2017	DN300 Veterinary Medicine	As previously indicated in the UCD prospectus, two weeks/60 hours practical experience with animals in such settings as farms, veterinary practices and animal shelters is a requirement from 2017. <u>Veterinary Medicine is now a restricted application course.</u> Applicants will receive an email from UCD with a link to an online form in which they must provide details of their experience. Further details on application and requirements available at http://www.ucd.ie/vetmed/caoapplicants/
2018	DN510 Economics	From 2018 the minimum subject entry requirements for DN510 will be O6/H7 in Irish, English and 3 other recognised subjects and H4 in Mathematics

3. Correction to Prospectus

Starting:	Course:	Change:
DN150	Chemical and Bioprocess Engineering	The length of course should read 5 years (4 year BE + 1 year ME)
