## Module Details

The online course catalogue is available at:  
[www.ucd.ie/students/course\\_search.htm](http://www.ucd.ie/students/course_search.htm)

Study Abroad students generally follow modules at Stage 2.

## Assessment

Formal examinations are taken at the end of each semester in December and May. International students are expected to undertake examinations in accordance with University regulations. Project and class-based work form a substantial component of the assessment process.

## Credit Transfer

It is the responsibility of applicants to agree with their home universities any arrangements for credit transfer. At the end of the semester, UCD sends an official transcript to the home institution.

## Eligibility

**THE MINIMUM GPA REQUIREMENT IS 3.00.**

In addition to completing the UCD online application process, a standard form of identification (copy of passport), a transcript of academic record to date and letter of recommendation must be uploaded to the online application form before the deadline.
