NOTES

Students are registered to either a single subject major (with prior permission) or a joint major. Students taking a joint major may elect to graduate with a major/minor combination in their two subjects if (a) they have amassed sufficient credit in the subjects and (b) this change is permitted in their particular subjects. Further details are available in a separate document.

*Psychology cannot be studied in Stage 2 as part of DN500. Students may avail of elective modules in Psychology subject to the university's regulations on the taking of electives.

*Portuguese cannot be studied in Stage 2 as part of DN500.
