- Students who go on ERASMUS spend one year abroad and receive a BA International degree
- EU funding available, which will partly cover costs of the year abroad
- You apply for ERASMUS places in the first semester of second year, normally in December.
- The School will hold a briefing meeting for Level 2 students, who wish to find out more about the programme on **Monday, 23 October at 3 pm in K114**

# Why go on ERASMUS?

- You develop your language skills
- Employers value ERASMUS students, their language skills, and experience of living abroad
- You broaden your historical studies and deepen your cultural hinterland
- You meet fellow students from across Europe
- It has a neutral impact on your GPA as you only have to pass modules
- It's simply great fun!
