HOW TO COMPLETE THIS EXPENDITURE DIARY

General

1. This diary should contain a complete record of everything which you yourself pay for; other members of your household are provided with separate diaries.

2. Please record everything that you pay for during the seven days, whether it is paid for out of your own money, housekeeping money, from a loan or any other source, and whether payment is by cash, cheque, postal order, credit card, bankers order or other means. Please remember:
   (i) Show each item, however small on a separate line and describe it in reasonable detail.
   (ii) If you buy anything by part exchange, say so and give the amount paid after deducting the amount allowed in part exchange.
   (iii) If you ask another member of your household or a neighbour to buy things for you, and you pay for them, details of purchases should be included in your own diary.
   (iv) Purchases made by you on behalf of other people with money supplied by them should not be recorded in your diary.

3. Write down the actual payments you make each day even if the goods were delivered previously, or are going to be delivered later. Any goods ordered or delivered but not paid for should be included unless they are acquired through Budget Account or Credit Club (paragraph 6) or Credit Account or Credit Card (paragraph 5).

4. Business Expenses
   If any of the expenditure (e.g. motor car, traveling, meals out, hotel expenses) shown in this diary include amounts which will be refunded by an employer or business or organisation or which you will be entering as expenses for income tax purposes, please give particulars on page 16.

5. Credit Account at a Shop or Credit Card
   If you have a Credit Account at a shop (e.g. local grocery) or if you have a credit card,
   (i) record any payments made in respect of this account or with the credit card during the week, for example enter "payment to grocery account – £75.50" or "payment of Visa Card account – £30".
   (ii) also record each item actually acquired each day through this account or with the credit card together with its cost, rioting "account" or "credit card" in brackets.

6. Budget Accounts or Credit Clubs
   If you pay anything into a Budget Account, Credit Club etc. during the seven days please
   (i) enter the payments made with a description of the Account or Club into which they are paid;
   (ii) record each article obtained through these accounts or clubs during the seven days, indicating that it is purchased from such source and giving its retail value.

7. Installment Buying
   If you start buying anything by installments on any of the seven days, say so, record the down payment made and state what you are buying as follows:
   HP down payment on TV set ................................................. £50.00
   If during the seven days you pay installments on any goods which you are buying by installments, give a description of the article and state what you paid, thus:
   HP instalment on bicycle ................................................ £10.00

8. Second-hand Purchases
   If you buy any second-hand goods during the seven days please write "second-hand" after the description of the item.

9. Postal Orders and Money Orders
   If you buy a postal order or money order on any of the seven days please record it on that day noting its value and poundage separately. If you pay for anything by postal order or money order during the seven days write "by postal order" or "by money order" after the description of the item. If an order is recorded in either of the two diaries, but has not been used by the end of the 14 days covered add a note to this effect.

10. Shopkeepers, Farmers etc.
    If your household obtains any food or other goods from its own shop, farm or garden please state the amount of each item which is obtained each day with its approximate value at retail prices. Write "own produce" opposite each item from own farm or garden. Write "not paid/own shop" after any article obtained from a family shop which has not been paid for in cash.

11. Betting
    If you make any bets during the seven days covered by this diary, please state what they are e.g. book-maker, totalisator, bingo, etc and give the amounts.

12. Cash Gifts or Allowances
    If you give any gifts or pay any cash allowances during the seven days covered by this diary, please record the amount and indicate to whom it was given.
