

FACTS & FIGURES

University College Dublin
Ireland's Global University

UCD COLLEGE OF SCIENCE

OUR STUDENTS

5213 STUDENTS IN TOTAL

39%/61%
female/male students
in Undergraduate
Science**

45%/55%
female/male students
in Graduate Research

69
countries represented
in Undergraduate
Science

96
countries represented
among all
Science students

OUR DEGREES

29 UNDERGRADUATE DEGREES

83 UNDERGRADUATE INTERNSHIPS IN 2018

TAUGHT MASTERS DEGREES **34***

GRADUATE TAUGHT INTERNSHIPS IN 2018 **145**

OUR STAFF

604
Staff in total

230
Academic staff

241
Research Funded Staff

79
Administrative Staff

54
Technical Staff

40%
Female staff**

60%
Male staff**

50
countries represented
among Science
staff

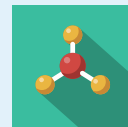

OUR RESEARCH

1354
publications
(2016)

506
new research awards
(All) 2016/2017

200
new research awards
(External) 2016/2017

€30.5m
average annual
value of new research
awards (External)

*Masters degrees with FT and PT offerings are only counted once, information on graduate diplomas can be found at <http://www.ucd.ie/science/study/prospective/taughtgraduatestudents>.

**UCD's Gender Identity and Expression Policy was launched in 2018. UCD is in the process of upgrading its data collection systems to reflect gender diversity. Student totals based on 2017/2018, Staff figures as of April 2018
