

Are you interested in attending an interdisciplinary **Design** Workshop?

What is a *real* limb?

Exploring boundaries between
Art and Anatomy...

UCD School of Medicine in conjunction with the National College of Art & Design will be hosting this interdisciplinary workshop on **29th April 2016**.

Applications are now invited from students wishing to take part in this workshop and can be made online. This event is likely to be very popular and so early booking is advised. For details and application, visit:
