

TARA RADIOCARBON DATING QUIZ

All the radiocarbon dates in the graphs below are on short-life material well-associated with their contexts. Please write your answer next to each of the questions – papers will be collected before the first presentation.

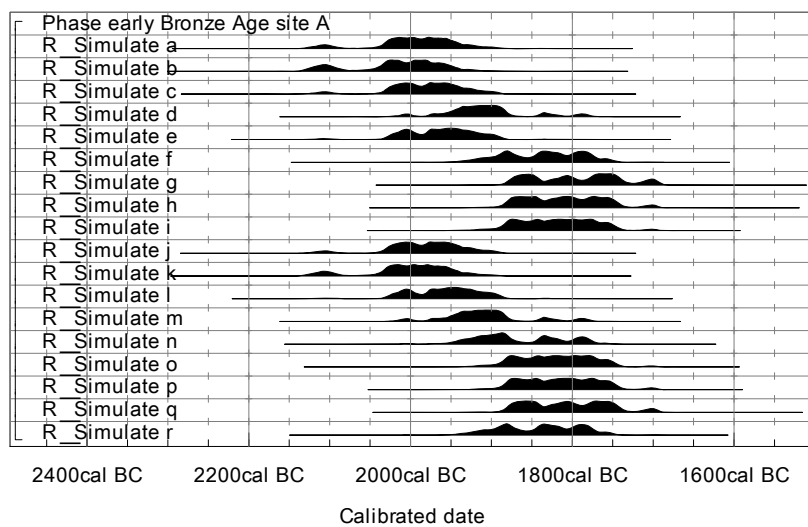

Please note this questionnaire is anonymous!

Question 1

When did Site A begin?

When did Site A end?

For how long was Site A in use?

Question 2

When did Site B begin?

When did Site B end?

For how long was Site B in use?
