These students are responsible for the complex outside of office hours, dealing with lockouts, general queries and any incidents which may arise or require their assistance. The RAs also ensure that the Rules & Regulations contained in the **Licence to Reside** are upheld.

Feel free to approach them with any problems or questions throughout the year, after all they're students too.

Settling in (On-Campus Accommodation life)

Please remember that by considering living in campus University Accommodation, you are opting for a shared living environment where a level of tolerance and compromise is required. You will be part of a community of young people from varying backgrounds and many different countries and cultures.

There is a standard of behaviour which must be respected and abided by, which is enforced by the UCD Residences Team and Residential Assistants (who live in the same accommodation). They will also help you settle in and provide as much help as possible and guidance on all matters relating to University life.

Please find enclosed important information regarding life on the residence which we advise you to read through carefully. We would particularly like to draw your attention to the following:-

Smoking

In accordance with Irish Legislation, the RESIDENCE is a NO SMOKING BUILDING including public areas such as hallways and stairwells. (This policy is strictly enforced)

Noise

All students should be considerate regarding noise at all times. Residents are asked to be particularly respectful of other students during exam times. It is a serious offence for those who have finished examinations to hold celebrations in residence while other students are still taking examinations. Consideration is requested when playing musical instruments, stereo, hi-fi systems and televisions. As a reference if you can be heard outside your apartment then it is too loud. You also need to be mindful of general noise as you pass through the complex. Residents should also be conscious of how loud they can be during Skype calls late at night- Please use headphones and perhaps take the call in the living room if you may be disturbing those trying to sleep in the room beside you.

Parties

Permission to hold parties in student's apartments is strictly prohibited. There are social facilities which can be booked through ResLife if you have a particular appropriate event in mind.

Discipline

UCD Residences have discipline procedures in place in support of students living on campus. Residents may be called to a disciplinary meeting should they be found to have breached the terms of their licence to reside. See appendix IX for guide to Management of Breaches of Residential Rules and Appendix VII for the Licence to Reside.

Security

All Residences on the Belfield campus have Security who are on hand during the night patrolling. If you require access or have any problems you can find them at the security hut at the entrance to your residence. Residents and registered guests may be asked for ID as they enter the residence or if any issues arise while they are there. UCD students are obliged to show their Ucards when requested to do so by a member of staff.

Guests

The University respects residents' right to daytime visiting guests once they are over 18. Guests must be accompanied by the resident at all times and must abide by the rules of the residence. In order to comply with safety regulations and ensure the welfare of other community members UCD Residence has an Overnight Guest Policy which must be complied with exactly.

Unauthorised overnight or extended visitation violations may result in a resident being asked to move off campus and further action under the Breaches of Residential Rules Process. Full details on our overnight guest procedures can be found on our website at www.ucd.ie/residences. In order to register a guest you will need the guest's full name as per their identification, their date of birth, contact number and address.

- Residents can register a guest for up to two nights in a row subject to availability. Guests should be signed in via the SIS Web at the latest before midnight on the day they arrive. Please see the Overnight Guest Policy on our website for full details on the policy and how to register a guest.
- The Occupier is responsible for the actions of their guests at all times.
- The guest must be aged 18 or over.
- The guest must produce photo identification (UCD Student Card, drivers licence, passport, Garda ID card) when requested to do so by any of the UCD Residences Team.
- The Occupier must accompany the guest at all times.
- Guests are not allowed to reside in any apartment other than their hosts from midnight onwards
- Guests must sleep in their host's bedroom.
- Where the apartment / hall are single gender and the proposed guest is of the other gender the resident will need to get permission of all of the other residents in the apartment / hall giving consent.
- In order to ensure that the service is available to all residents there is a maximum of 2 consecutive nights at any one time for any guest and guests cannot be booked in over a prolonged period of weeks in advance.
- Residents are advised to check if a guest can be registered before booking flights or inviting someone to stay.
- Residents in breach of these terms and conditions may be levied with an automatic fine of €100 per guest and will be subject to the Breaches of Residential Rules process.
- The overnight guest policy will be suspended during study and exam periods and for operational requirements as required (e.g. emergencies, nights of big events, health and safety reasons).
- In order to comply with health, safety and fire requirements, and to ensure the welfare of the whole community there is a maximum number of guests who can register to stay overnight at any one time. Please see the policy in full on our website for details.

Tips for Safe Living

UCD Residences strive to keep our community safe and secure. Your assistance is vital towards achieving this goal. Residents should be security conscious at all times. Please report suspicious persons in or near the Residences immediately to the Central Customer Care Office at Merville or the RA on Duty.

Never leave your door unlocked or your bedroom window open while your room is unoccupied (for any amount of time) and please ensure that main exit doors are closed at all times. Leaving your bedroom or apartment door open gives access to your personal belongings to others and could result in theft or security breaches.

For your Added Safety:

- Keep doors and windows locked when room / apartment is unoccupied or if you are sleeping
- Do not leave valuables or cash in visible location
- Do not prop open doors
- Do not leave messages saying no one is at home
- Do not open front door to strangers or non residence personnel
- Anyone acting suspiciously should be reported to the Central Customer Care Office at Merville immediately
- Bicycles should be secured with a good locking device in designated areas

Fire Safety- Minimise the Risk!

Please also see the Fire Prevention Booklet.

- Care should be taken with all naked flames.
- Candles and incense are a fire hazard and are not permitted in the residence halls or apartments.
- It is not permitted that you smoke inside the building.
- Do not overload sockets- Use only one plug per socket.
- Do not use chip pans.
- Never leave cooking unattended.
- Report electrical problems to the Residence Office.
- Keep all exit routes and doors clear from obstruction.
- Report any faulty fire equipment to the Central Customer Care Office at Merville.

Fire Safety- Emergency/Evacuation Plan

- If you discover a fire RAISE THE ALARM IMMEDIATELY by pressing the nearest Break Glass Unit.
- Fight the fire only if safe to do so.

On hearing the Fire Alarm Sound

- Exit the building via nearest escape route.
- Go to the Assembly Point.
- Authorised UCD personnel will instruct the evacuees when to re-enter the buildings.

In case of Medical Emergency

Should you require urgent medical assistance, call the Residence Office 01 716 1008 or Campus Services 01 716 7999 immediately who will call 999 on your behalf. This is important to ensure emergency services are met and escorted to the right location, and can get through any locked barriers or gates.

N.B. TAMPERING WITH FIRE EQUIPMENT IS A CRIMINAL OFFENCE AND CHARGES MAY FOLLOW. DISCIPLINARY CONSEQUENCES MAY INCLUDE TERMINATION OF LICENCE TO RESIDE.

Insurance

Each resident is covered by “Insurance for Occupants of Residential Units, University College Dublin”. UCD Residences will issue each student with an Insurance Certificate at the beginning of the academic year. This certificate will give details of the cover with which you are provided under this special Insurance Scheme. The fee for insurance cover is paid along with the first installment before the resident takes up occupation of the room.

In event of a claim:

- Please inform the accommodation office immediately.
- In the event of a theft claim inform the Gardai immediately.
- Immediately send any writ, summons or other legal process issued or commenced against you to the insurance company.
- Obtain a claim form from the accommodation office or on the residences website.

Responsibility

From the moment you receive your access card until you check out, you are responsible for the condition of your apartment/room and for what happens in it.

Conditions of Occupancy

The terms and conditions under which rooms are allocated to you are detailed on the “Licence to Reside” which you can find in the Appendices or on the residences website www.ucd.ie/residences.

Inventory

When you move in we expect that all inventory items are present and in working order. We ask residents to go online on their SIS web and confirm the inventory contents of their accommodation. This record will form the basis for any deposit deductions due to missing or damaged items at the end of your licence to reside. You will receive an email to your UCD connect email address after check in explaining what you should do.

Damage

Each occupant must keep all furniture, fixtures and fittings in the premises in good and proper repair. Occupants must not drive nails or drawing pins etc. into the walls or woodwork, to affix any form of ‘blue tac’ or sticky tape to walls, or otherwise to deface the premises. Damage resulting from disregard of the above prohibitions whether deliberate or accidental will be charged for.

Maintenance

If your room or the equipment and furnishings provided in your room require any repair or maintenance do not repair it yourself. Please report all maintenance issues in your room on the maintenance section of your SIS web account. Please see the how to guides on the residences website (<http://www.ucd.ie/residences/residential-services/howtoguides/>) for details on how to submit a maintenance request and Appendix V for maintenance information and troubleshooting.

Deposits

A deposit of €400.00 is paid as part of the booking process. It is a deposit against the actual booking being cancelled, and also against any potential damages that may arise. The deposit is returned after the students vacate, provided that their access key has been surrendered, the apartment is in the same condition as it was on arrival, and all outstanding charges are paid. Please note any damage or missing inventory items from your apartment will be deducted from your deposit.

Deposits are refunded by electronic transfer and residents are asked to enter their bank details on SIS web so this refund can be processed.

When refunds have been calculated, usually within 3 weeks of departures, Residents will receive an email advising them that the payment (if applicable) is to be made to their bank account. See our website for UCD's deposit deduction and refund policies.

Check Out

Residents are expected to vacate their accommodation by 12 noon on the last day of their licence to reside. Rooms and common areas should be left in a clean and hygienic condition upon departure. Residents are jointly responsible for communal areas of the apartment and are advised to work together to ensure they are left in the same good condition they were in on check in. Residents will be charged for any belongings or rubbish left behind, any damage and any contract cleaning charges should the accommodation not be left in a clean and hygienic condition. Please see appendix III for a list of sample charges.

Internet

Wireless Internet service is available to all residents. Please see appendix I for details.

Residential Cleaning

All residents are responsible for maintaining their rooms in good condition.

UCD Residences undertakes cleaning in the circulation area of residences such as staircases and landings. In communal residences (e.g. Blackrock Halls of Residence) the cleaning staff will clean all communal areas. UCD must ensure that good housekeeping and hygiene standards are maintained throughout residences. For the wellbeing of all residents it is important that the rooms and kitchens are maintained in a good condition.

Residents are responsible for cleaning within their rooms and shared space within apartments. Residents are advised to agree a roster for cleaning shared areas. The residence staff carry out hygiene audits usually once per semester. Residents are also asked to be mindful that rooms are booked through the year and that new residents on check in expect to move into clean hygienic accommodation.

Refuse and Recycling Information

There are refuse and recycling points located in all locations. Please segregate waste and ensure it is placed in the correct bins. Recycling and compost bins are available and residents are requested to be responsible when disposing of waste. Appendix VI has information on Waste Mgt.

Appendix IV - FIRE PREVENTION

FIRE EXTINGUISHERS AND FIRE SAFETY EQUIPMENT:

UCD Residences are equipped with a selection of fire safety systems that includes fire alarms, smoke detection systems, fire extinguishers and fire blankets. If any fire safety equipment, extinguishers, blankets or smoke detectors look as if they may have been tampered with report this **immediately** to the accommodation office. Servicing of fire extinguishers/fire blankets in residences takes place on a rolling programme throughout the year. To prevent fire alarms being accidentally activated residents are asked to ensure that extractor fans in bathrooms, should be turned on when bathrooms are in use and all bathroom doors kept closed to ensure that fire alarm equipment is not activated due to excess steam build-up. Needless to say, it is a serious offence to tamper with any fire safety equipment and as a resident it is important to remember it is in the interest of everyone living on-campus to ensure that these items are not tampered with.

All alarm activations should be considered as real and residents should proceed to exit the building immediately. Residents must not return to their buildings until informed that it is safe to do so by a person in authority. Failure to evacuate in the event of a fire alarm is an offence and under the terms of your license to reside residents may be subject to disciplinary procedures should they fail to evacuate.

Please note ALL of UCD Residences are Non-Smoking. This includes all areas within the buildings including living space and common areas such as stairwells and house lobbies.

FIRE PREVENTION CHECK LIST FOR RESIDENTS

1. Last thing at night procedures:

- Do not leave newspapers, clothes or material too close to any heaters (Fixed/Portable).
- Switch off all electrical equipment and unplug all non-essential appliances before going to bed
- Close the doors of all rooms in the apartment. Ensure the Living/Kitchen room door is closed at all times. This is a fire door and prevents fire spreading and smoke escaping.
- Make sure all escape routes such as corridors, stairs and hallways are clear of obstacles.

2. Checks to be carried out before leaving your apartment:

If you are the last person to leave the apartment, ensure that all internal doors are closed and that you carry out the checks detailed in paragraph 1. above.

When leaving the house ensure that all fire doors are properly closed.

3. General Precautions

UCD Residences

A Guide to Managing Breaches of Residential Rules

INTRODUCTION

The UCD Student Charter summarises our aspirations and expectations for all members of our University community. It sets out the roles and responsibilities of the various groups within our University and outlines what students can expect from their University and what the University can expect from its student members. In order to build and maintain a positive and encouraging academic environment, UCD has regulations, codes and policies. Students and staff should be familiar with and abide by these regulations and procedures. These are available online:

www.ucd.ie/students/studentssupport.html.

In particular, students must be familiar with the UCD Student Code, which sets out the procedures for managing breaches of good behaviour. As a UCD student the University expects that you take responsibility for your own behaviour and act professionally in dealings with staff and fellow students and observe and uphold your University's regulations, policies and codes. The rules and regulations as they apply to the Residences can be found in this document, the licence to reside and are aligned with the UCD Student Code.

THE MANAGEMENT PROCESS

The process for managing breaches of the rules and regulations for the Student Residences is structured in accordance with the seriousness of the breach. The three Categories identified and the respective processes are outlined below and include the procedures for escalation to the next level.

- **CATEGORY 1:**

- **On the spot verbal warning (Residences Management)**

This may arise during the course of the residency period where an infringement is identified and a decision is made by the UCD Residences' Team that the infringement is of a nature that a verbal warning will suffice. The warning and details of the incident will be documented and recorded on the Residents' file, and may be reconsidered should further infringements occur. Failure to heed the warning may result in an escalation of the status of the incident.

- **CATEGORY 2:**

- **A formal meeting (Estate Services)**

All documented incidents are reviewed by the Management of UCD Residences on a daily basis. If an incident is deemed to be in breach of the Rules and Regulations, and it is felt warrants a formal meeting, details outlining the breach and relevant reports will be forwarded to Estate Services. Estate Services will review the documentation to confirm that a meeting with them should proceed and the Estate Services will send a communication to the residents of an apartment or to individual residents if clearly identified, informing them of the requirement for a formal meeting. Such a meeting may result in Sanction Action being taken. The recommended Sanction Action will be reviewed and approved by Estate Services and will be notified in writing to the Resident. A list of Sanction Actions is provided within this document.

Examples of breaches (non exhaustive):

- Unauthorised Party that had minimal disruption and was early in the evening
- Unauthorised Hanging or Displaying of Articles within the premises or complex
- Causing litter or dumping of rubbish
- Unauthorised Overnight Guest
- Causing a Disturbance
- Not maintaining the interior of the Premises in a clean and hygienic manner
- Minor damage

Appendix IX - GUIDE TO MANAGING BREACHES OF RESIDENTIAL RULES

Incidents that are dealt with under this heading are normally single breaches of the rules and/or regulations. Where an incident results in the breach of a number of rules individual minimum disciplinary actions may attach to each breach. Where an incident results in the breach of a significant number of rules and/or regulations, which are deemed to be of a significant or major nature, or where it is a second or subsequent breach, the incident may be escalated to Category 3.

The procedure Estate Services follows is aligned with those in the student code and that group will ensure that:

- A formal communication is made to the resident outlining the alleged breach in advance of the meeting with Estate Services
- The resident may opt to have the alleged breach heard by a disciplinary committee independent of Estate Services
- Where the alleged breach appears to involve more than one student, such students may be jointly managed and heard together
- Where an alleged breach may, in the reasonable opinion of the University, constitute a criminal offence, the University will act in accordance with the law and may notify the Gardai
- The proceedings and details of the cases are private and confidential (where appropriate)
- The student may have a representative at the meeting e.g. a member of the students union or a student adviser present at the formal meeting
- Where possible the decision will be made by Estate Services at the meeting, but they may defer the communication of the outcome to the student where a submission made by the student requires further investigation
- The outcome of the meeting shall be confirmed to the student in writing. The student shall be informed of his or her right to appeal the decision to a disciplinary committee, the procedure for lodging an appeal and the time limit for lodging an appeal
- Where the matter has been resolved and a decision made, Estate Services will write to the Management of UCD Residences informing them of the decision

- **CATEGORY 3:**
Formal Referral to the Registrar

Where a breach of the Rules and Regulations is deemed to be of a major and significant nature, a formal referral will be made by Estate Services to the Registrar. Incidents that are escalated to this category are deemed to be extremely serious breaches. Where a breach of residential rules is referred to the Registrar the procedures and guidelines as laid out in the UCD Student Code will be followed.

Examples of breaches (non exhaustive):

- A Party resulting in major disruption
- Transgression of the UCD Dignity and Respect Policy
- Interference with Fire and Safety Equipment
- Repeated Unauthorised Overnight Guests
- Damage to property
- Alleged criminal Breaches including Assault, Drugs, Trespass, Theft etc
- Interference with Security Devices including CCTV, holding open of doors, disconnection of alarms etc

Appeals Procedures

CATEGORY 1 APPEALS

- a. Any Sanction made by the Management of UCD Residences (Category 1) may be appealed in writing to UCD Estates Services within 7 days of the Sanction. The decision of UCD Estates Services shall be final.

CATEGORY 2 and CATEGORY 3 APPEALS

You may appeal as follows if You are unhappy with a Sanction imposed upon You:

- a. Any Sanction made in the first instance by UCD Estates Services (Category 2) may be appealed in writing to the Registrar within 7 days of the Sanction. The decision of the Registrar shall be final. In the event an appeal to a fine is upheld the imposed fine will be refunded.
- b. Any Sanction arising under the UCD Student Code (Category 3) may be appealed in accordance with the Student Code.
- c. When making an appeal You shall be required to pay a fee of €20 which will be refunded in the event the appeal is successful.
- d. If you are unhappy with the process you can use the UCD Student Complaints Policy

Appendix V - MAINTENANCE - TROUBLE SHOOTING

If your room or the equipment and furnishings provided in your room require any repair or maintenance do not repair it yourself. Please report all maintenance issues in your room by logging a maintenance request online using the maintenance reporting facility through the accommodation tab on your SIS Web account. Please see the how to guides on the residences website for videos and information on how to log a maintenance requests

General maintenance and routine repairs (such as a blocked toilet, leaking taps, blown fuses, water leaks, or furniture/appliance maintenance, etc.) are performed without charge to students. We encourage you to report damage immediately upon discovery. Neglecting to report a problem (leaking taps, water damage, etc.), could lead to further, more complicated problems later.

Please note that where residents continually clog their sink/drains with food, grease or hair a charge may apply if maintenance are called repeatedly.

Emergency repairs include major leaks and flooding, inoperative door locks and any problem that endangers property or safety. In case of an emergency; contact the Central Customer Care Office at Merville immediately.

All students share equal responsibility over the communal areas, however, you have sole responsibility for the upkeep of your room. If you are found responsible for any damage to your room or the communal living areas, you may be charged the cost of repair. Intentional damage to UCD Residences property may also result in a disciplinary hearing and/or a fine. Damage caused whether accidentally or deliberately will be charged to the resident or residents if in a communal area. Where damage is found in a communal area residential services will endeavour to ascertain who is responsible, if this is not possible the charge is applied equally to each resident.

Students are not permitted to paint or make any alterations to their rooms. If you damage anything, you will have to repay the cost of repairs (or replacements) for the building. UCD Residential Services cannot service or repair any furnishings or equipment provided by students.

Do not put any nails, screws, hooks or any sticky substances in/on the wall. You will be responsible for any damage caused to the room. For safety reasons, do not try to clean the outside surface of your windows. Do not remove or tamper with your window curtains; blinds; window restrictors. Do not interfere with the window ventilators; these should remain unobstructed to allow free flow of fresh air. Do not sit on ledges or lean out windows, this is for your own safety! Do not put anything on top of radiators or on window sills a small potted plant that falls out a window could potentially injure a pedestrian. Never attempt to exit or enter through windows.

If you have a problem in your accommodation please see below our trouble shooting guide for common issues. If the guide does not help you resolve the issue you should log a maintenance request via your SIS Web.

Appendix V - MAINTENANCE - TROUBLE SHOOTING

- If the heating in your bedroom isn't working (Glenomena houses 1 – 8; Merville & Belgrove only)

- Your electric heater may not be working for a number of reasons:

- Check that the power is turned on at the wall switch (NOTE some rooms have a timed wall switch which will turn off automatically after the pre-set time:

- Check that the power is turned on at the heater switch:

- Check that the thermostat dial at the side of the heater is turned up to the desired temperature:

- If the heating still does not work, report it to the accommodation team by logging a maintenance request on SIS web.

- **If the heating in your apartment isn't working**

- Your electric heater may not be working for a number of reasons:

- **If there is no hot water: (Glenomena houses 1 – 8, Merville & Belgrove)**

1. General Information

Fig. 1
TGBT4 Front Panel

3. Operation

The required boost time is selected by pressing the button marked Boost repeatedly. The LED's adjacent to the time markers (above the Boost button) will light up in the sequence:-

- First push gives 1/4hr boost (LED opposite 1/4 is on)
- Second push gives 1/2hr boost (LED's opposite 1/4 and 1/2 are on)
- Third push gives 1hr boost (LED's opposite 1/4, 1/2 and 1 are on)
- Fourth push gives 2hr boost (LED's opposite 1/4, 1/2, 1 and 2 are on)
- Fifth push returns to zero boost (all LED's out)

Once the boost selected is underway the LED's will go out sequentially indicating the approximate boost time remaining.

Example:- 2hr boost has been set.

After 1hr the 2hr LED will go out indicating 1hr remaining.

After a further 1/2hr the 1hr LED will go out indicating 1/2hr remaining.

After a further 1/4hr the 1/2hr LED will go out indicating 1/4hr remaining.

The 1/4hr LED begins to flash when there is less than 1 minute remaining.

In this way the user has an approximate guide to the remaining duration of the boost.

Stopping or Increasing Boost

The boost may be stopped at any time by pressing the Boost button repeatedly until all the LED's are extinguished.

The boost period may be increased at any time by pressing the Boost button until the required time LED is lit. In which case the indicated boost time will start from when the Boost button was pressed.

If the button is pressed and then held the LED's will cycle upwards with 1 second between each change. It will go in the sequence 1/4, 1/2, 1, 2, OFF, 1/4, 1/2 etc.

- The hot water system in your apartment is timed automatically to heat the water during an off peak period. This will provide 1 full tank of hot water. Should additional hot water be required you can turn on the boost facility by turning the bottom dial as indicated above. This will provide enough water for a shower.

• **If there is no hot water: (Belgrove only)**

Use the controls situated in the hallway (at the front door).

- If there is no power at the timer (indicated by an illuminated orange/red light on the panel) please ensure that the power switch is in the on position (Timed).

- If there is still no power indicated on the control panel check that the corresponding switch in the fuse-box is up and on (it's behind the apartment door):

- If the heating still does not work, report it to the accommodation team by logging a maintenance request on SIS web.

• If your electric cooker isn't working:

- Your electric cooker may not be working because it is not turned on:

-Check that the main switch (located on the wall) is at the on position (the red indicator light will light up)

-Check that the control dials on the front of the cooker are turned to the correct position:

Appendix VIII - HOUSE RULES

UCD Residences House Rules

All Residents and their Guests must uphold the rules and regulations of UCD Residences and abide by their License to Reside.

Student Residences is a dynamic living experience. Residents should work to build a positive community within their house and foster an ethos of respect for their neighbours.

Noise can have a big impact on a resident's ability to enjoy their right to live in a peaceful environment. Residents should be conscious of the noise they are making at all times both whilst entering and leaving the building, and within their own apartment. If noise can be heard from outside an apartment it is too loud.

The common areas within the house are the responsibility of all occupants. Residents have a responsibility to ensure that the common areas are not dirtied or damaged by themselves or any of their guests as they enter and leave the premises. Residents are responsible for the people they invite or simply let into the building.

The security of the building and each apartment is of utmost importance to your safety and that of your neighbours. Residents must not interfere or hold open security doors at the entrance to the building or the apartment and must not lend anyone their key or access card.

All UCD Residences are non smoking. It is a breach of rules and regulations to smoke in the building or allow a person smoke in a building. If someone is smoking in your building residents are obliged to ask them to stop or leave and if necessary report it to the Central Support Office.

Fire fighting, detection, and Safety equipment is there for the safety of the occupants of the building. There is a zero tolerance for the interference with any such equipment and will automatically result in the revocation of the license to reside if a resident or their guest interferes with equipment in any way.

Guests are the responsibility of the residents who invites them into the complex and building. This applies to guests during normal hours, and guests who must be registered for out of hours and overnight stays. Residents must accompany guests at all times whilst in the residences complex and are equally responsible for any actions their guests take that constitute a breach of the rules and regulations

Unauthorised gatherings are any gatherings within the complex, a building or an apartment that breach rules and regulations or negatively impact on others living within the building. If you wish to hold an event with your friends please contact residences in our central office to book one of the social spaces in each location.

For the safety and security of all occupants of this building CCTV and Monitoring devices are in use within the building and around the Residences Complex. Anyone entering the building should be aware of this and if you invite someone into the building you should make them aware of it.

Knowledge is beneficial. Be aware of the rules and regulations so that you do not mistakenly breach one and if you are not sure come and ask! For further information on rules and regulations visit www.ucd.ie/residences and view your License on your sisweb portal
