

# Trans-Vaginal Ultrasound Study Day

## What, Why and How

### Overview

**Saturday 26th April 2014**  
**09:00 – 17:00**

Trans-vaginal scanning brings together clinical dexterity, interpretation and reporting skills unique to this modality. The morning lecture based session is designed to give operators an opportunity to gain valuable theoretical knowledge, often obtained in an ad hoc way in the clinical setting.

This theoretical morning session will be complimented by an optional small group workshop in the afternoon which will allow a small number of candidates to put theory into practice.

This study day, hosted by UCD School of Medicine and Medical Science is targeted towards Sonographers, Midwives, Radiologists and Medical Doctors who perform gynaecological scanning as part of their routine workload.

The programme for the taught session brings together experts in the field from across Ireland. The format is designed to update and inform participants with regard to the latest developments and best practice in this important area.

#### MORE INFORMATION CONTACT:

Ms Jennifer Grehan  
Lecturer in Diagnostic Imaging  
UCD School of Medicine & Medical Science  
E: [jennifer.grehan@ucd.ie](mailto:jennifer.grehan@ucd.ie)

#### CPD Accreditation

- IIRRT endorsed
- CME Credits Pending

### Venue

**UCD Health Science Centre**  
**Belfield, Dublin 4**

#### SESSION 1 09:00 – 13:00 LECTURES

The morning session will include lectures on

- Orientation and Positioning
- Common Ovarian Pathology
- Common Uterine Pathology
- The Acute Pelvis
- Ergonomics, Pitfalls and Infection Control

#### SESSION 2 13:30 – 17:00 PRACTICAL WORKSHOP

The afternoon workshop will incorporate stations on

- Physics Review and Image Optimisation
- Image Interpretation and Reporting
- Trans-Vaginal Scanning Simulation
- Trans-Abdominal Scanning Simulation

Any further topics will be announced via  
**[www.ucd.ie/medicine](http://www.ucd.ie/medicine)**

**TO REGISTER: [HTTP://BIT.LY/MYUCDCPD](http://bit.ly/myucdcpd)**

Due to the hands-on nature of the workshop session spaces are limited for the afternoon, therefore early booking is advised. Only those who have attended the morning will be in a position to apply for a place at the practical workshop.

#### FEES:

Session 1	€45
Session 1 & 2	€100
