Some of our Achievements in 2008..

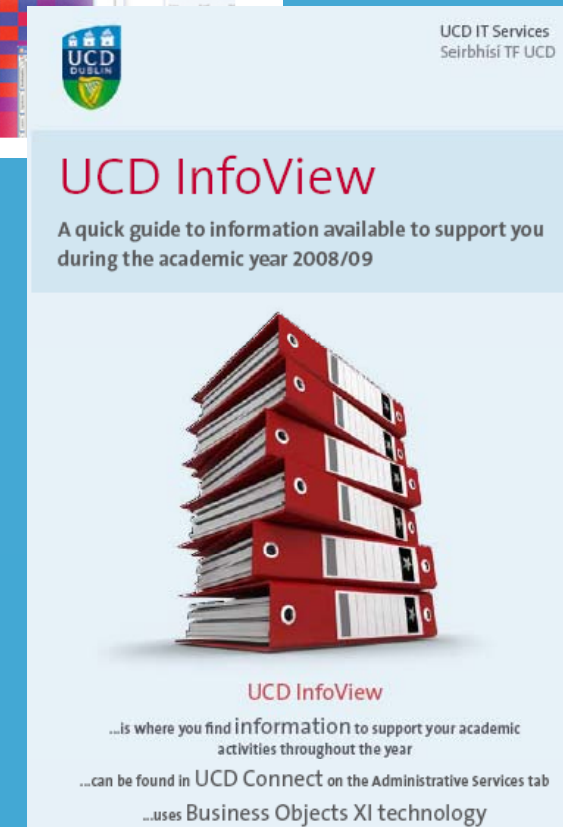

Creation of UCD InfoView channel on UCD Connect

Distribution of UCD InfoView 'Quick Guide'

Single sign-on to UCD InfoView from Connect

leading to...

Significant increases in usage of UCD InfoView by end of 2008

And some more....

Rollout of eRecruitment for all jobs

leading to....

Simpler, more streamlined process for applying to work in UCD

Less paper-intensive process for management of interview boards

Welcome to UCD's Online Job Application System

To search for a vacancy please use one of the search criteria below and then select **Search**. To view all vacancies select **Search** without entering any criteria.

For internal only vacancies & for existing UCD staff please log in via [UCD Employee Self Service](#).

Please note at this time UCD do not require assistance from Recruitment Agencies - Any CV's submitted by Recruitment Agencies will be returned.

Search by Vacancy Area:

Search by UCD School / Unit:

A screenshot of the UCD Curriculum Management System interface. The page title is 'Module BMGT 40190 - 200900'. The interface includes a navigation menu with options like 'General Info', 'Description, Outcomes', 'Workload FTE', 'Prior Learning', 'Requirements / Evaluation', 'Assessment', 'Assoc Majors', 'Admi Test', and 'Derogations'. The 'General Information' section contains fields for Subject Area (Business Management), Module ID (BMGT40190), Semester (SEM_1), Module Coordinator (Derek Nolan), College (Business & Law), Level (Masters), and Module Type (Postgraduate Module). The 'Module Places' section shows Capacity (Overall Places: 45, Core / Options: 40, In-Programme: 0) and Capacity Breakdown (General Elective: 0, International: 5). The 'Places Taken' section shows 2009/10 (42) and 2008/9 (42). The current status is 'Checked out for Edit (SBOYLE)'. There are 'Back', 'Finish Later', and 'Module Complete' buttons at the bottom.

And still more!

Plans for 2009 – Key Themes

- Focusing on meeting the needs of our larger customer group (i.e. outside Admin)
- Keeping focused on the big picture – delivering most benefit to largest number of people
- Being innovative and challenging in our work
- Matching (and surpassing) customers' expectations in terms of user interface

Plans for 2009 – Major Projects

In Student Area

- Replacement of Gradebook user interface
- Enhancements to Online Applications

In MIS

- Information for School/Unit Management
- Consolidation of Operational Reporting
- Analysis & Capacity Building in Management Level Student Reporting

Plans for 2009 – Major Projects

In HR, Finance & Research

- HR Document Management
- Catalogue Management for eProcurement
- Rollout of Research Online Forms

In Other Areas

- Identity Management Implementation
- Office Automation using Sharepoint
