

**CABILDO DE LANZAROTE**

**Genomic Selection in Plant Breeding – 3-6 June-2019 | Information Sheet**  
The course is hosted by **CABILDO DE LANZAROTE, SPAIN.**

- 1) **If you are travelling by plane**, flying into Lanzarote Airport the most economically option is the bus Route 22. Please check here. <http://www.aena.es/en/lanzarote-airport/public-transport.html>. A taxi will cost 25-28 Euros.
- 2) **The tentative main hub** for the course will be the Cabildo of Lanzarote's Library. <https://goo.gl/maps/cSQLtDv8CVS2>
- 3) **Accommodation:** There are many hotel options in the area, this is an example <https://goo.gl/maps/FEGCp5YpbUs>. Airbnb is a great option too.
- 4) **Course registration/check-in** will begin at 8:30 Monday June 4th. The first session will begin promptly at 9:00 and end at approximately 17:00 each day. There will be breaks of approximately 15-20 minutes between lectures/activities in the morning and afternoon sessions, with light refreshments served at the short course hub. There will be a 1-hour mid-day break, during which time you may have lunch on your own, stroll around the beautiful Arrecife, relax and/or have discussions. We will provide you with lunch options at the start of the course.
- 5) **Class notes** will be distributed during the course. **If you have a laptop**, we **encourage you to bring it**. We won't provide any computer. Once you are on the library, you should be able to connect to the Library network.
- 6) A list of registrants will be provided, so you know who will be attending.
- 7) Do you want to visit Lanzarote, check this video [https://www.youtube.com/watch?time\\_continue=128&v=bntfbxTLF4Y](https://www.youtube.com/watch?time_continue=128&v=bntfbxTLF4Y) and this website
- 8) Organizers can cancel off the course if any unforeseen circumstances happen.
