

School of Chemistry

Safety Declaration Form

I hereby state that I have read and understand the key documentation from the School of Chemistry website (<https://www.ucd.ie/chem/about/healthandsafety/>) listed below, and will abide by the rules and policies laid out there. I have discussed with my supervisor (or nominee) what other documents on the website will be relevant to my research and have read, understood, and will abide by them.

Safety Policies		<i>tick if read and understood</i>	
Safety Statetment		Hazardous Waste	
Building Access and Security		Hazardous Waste Management Manual	
Quarterly Safety Audit Procedure		Hazardous Waste Streams Flowchart	
Policy on Official Warnings		Stores Compound Layout	
Laboratory Practices		Irregular Lab Smalls Waste Form	
Policy on Clothing and PPE		Emergency Procedures	
Policy on Mandatory Laboratory Rules		Fire Evacuation Notice	
Policy on Prescription Lens Safety Glasses		Chemical Spillage/Emergency Response Notice	
Policy on Unattended Experiments		List of First Aiders	
Transporting Liquid Nitrogen Belly Dewars		AEDs	
Filling Liquid Nitrogen Belly Dewars		Emergency Showers	
Operation of Grubbs-Type Dry Solvent Stills		Eye Wash Stations	
Azides and Other Potentially Explosive Materials		First Aid Kits	
Hydrogen Gas Detection in CSCB		Spill Kits	
Policy on Malodorous Chemicals		Relevant Risk Assessments	
Glove Box Operation		<i>Understand that pre-filled templates are not a substitute for your own risk assessments</i>	
Vacuum Pumps and Evacuated Apparatus			
Fumehood Operation in Science South			

Category (Staff, PhD, MSc,
Intern, etc.):
