WE'RE HIRING

We're Hiring

Suitable candidates are invited to join the award-winning AI-PREMIE research group, a multidisciplinary group of clinicians, scientists, and experts in Augmented Intelligence working together focused on improved diagnostic and prognostic markers in pre-eclampsia. We have a full-time research position for six to nine months (starting January 2022) for a midwife or scientist with the following qualifications:

- primary degree in midwifery or science

- ability to write for academic review

- knowledge of statistical analysis of tests, including sensitivity, specificity, predictive values

Informal inquiries to Prof Mary Higgins (mary.higgins@ucd.ie), Dr. Jennifer Donnelly (jdonnelly@mater.ie)

Formal application including a cover letter and short (3 pages) CV to both Mary Higgins and Jennifer Donnelly by December 10th, 2021

Send your Resume to:

mary.higgins@ucd.ie & jdonnelly@mater.ie
