

**College of XYZ**  
**Path to Green:**  
**Managing risks exceeding risk tolerance score**

<b>Risks</b> (i.e. exceeding Risk Tolerance score)			<b>Actions</b> (to get to Green i.e. lower than tolerance score)	
<b>Risk Description</b>	<b>Risk Score</b>	<b>Risk Tolerance Score</b>	<b>Actions to reduce Score</b> (getting to Green)	<b>Timeframe for completion</b>
<p><b>Lack of sufficient and adequate space for schools and College.</b> Many Schools in College of XYZ lack sufficient space for expansion as per their strategic plans. Inability to re-house the YYY. Reduced ability to take advantage of opportunities to recruit high performing faculty.</p>	28	20	<ol style="list-style-type: none"> <li>1. Seek a more robust University Space Policy.</li> <li>2. Free up space for Schools by (a) redeveloping College Building and (b) developing Teaching and Learning building (UCD Estates).</li> <li>3. Extend College Building to accommodate wider needs.</li> <li>4. Plan for relocation of the School of YYY.</li> </ol>	Ongoing 2021-2024 planning cycle.
