

Board of Studies for Research, Innovation and Impact

Terms of Reference

Approved ACEC 12 August 2020

1. Purpose

- 1.1. The Board of Studies for Research, Innovation and Impact is responsible to the Academic Council or its relevant Committee for the design, development, regulation, quality and for overseeing the delivery of programmes and modules delivered by institutes and centres within the remit of the Vice-President for Research, Innovation and Impact.
- 1.2. The Board is responsible for monitoring the overall performance of students registered to these programmes and ensuring their academic welfare.
- 1.3. The Board will make recommendations to the Academic Council or its relevant Committee on the structure and content of these programmes, and any regulations or policy which govern them, and make decisions or recommendations regarding the admission, progression, continuation and graduation of the students registered to these programmes.

2. Functions

- 2.1 The Board, subject to review by the Academic Council or its relevant committee, shall for each programme within its remit:
 - Promote excellence in education by articulating the aims and outcomes of the programme and agree a strategy and academic plan for the programme
 - Approve proposals regarding the structure and content of these programmes and any special regulations relating to the programmes, seeking approval as appropriate from Academic Council or its relevant Committee. Ensure that the modules contributing to the programme support the academic coherence of the programme and the quality of the graduate output
 - Oversee and enhance the academic quality of programmes and the student learning experience
 - Establish, where appropriate and subject to the University's regulations and policies, programme-wide norms and guidelines regarding teaching and learning approaches, student workloads and assessment and grading practice
 - Admit students to the programme in accordance with the University's regulations and policies
 - Adjudicate on student applications for leave of absence from and transfer between programmes, in accordance with the University's regulations and policies
 - Establish mechanisms to assure and enhance the quality of the programme, and participate fully in the quality assurance/quality enhancement processes of the University
 - Make decisions in line with the University's approved policies and procedures in relation to Continuation and Readmission, Fitness to Continue in Study and Student Fitness to Practice. ensure appropriate student supports
 - Establish so many Programme Examination Boards, as subcommittees of the Board, as are required for the programmes it governs. The responsibilities of the Programme Examination Board shall be as per the Academic Regulations.

2.2 The Board, subject to review by the Academic Council or its relevant Committee, shall for modules within its remit:

- Ensure that procedures are in place for the effective design, delivery and assessment of modules
- Ensure that requirements of the Extern Examiner Policy have been fulfilled.
- Review and approve the composition of the modular examination committee, ensuring the appropriate range of expertise required to properly examine all modules considered by the Committee.
- Ensure establishment of such and so many modular examination committees as necessary to fulfil the following responsibilities:
 - review and agree the grades for modules
 - ensure the validity of the grades entered by the module coordinator
 - ensure grades for the modules are reviewed and agreed
 - ensure grade distributions for modules are reviewed, anomalies identified and addressed appropriately
 - ensure that module grades for students with notified and approved extenuating circumstances have been reviewed and addressed appropriately

2.3 The Board may form such and so many sub-committees as it deems necessary to perform its functions, and may delegate any of its functions to a sub-committee.

3. Composition of the Board

- Chair, Vice-President or their nominee (any nominee should be independent of related institutes/centres, and should not be the Director of the institute/centre under its remit)
- Directors of Institutes and Centres delivering programmes and modules for which the board is responsible
