May 2025

Summer trimester is here, and we hope you continue enjoying life on campus as the weather gets warmer!

3MT[®] THREE MINUTE THESIS

FOUNDED BY THE UNIVERSITY OF QUEENSLAND

ThesisIn3 Competition 2025

Graduate Studies is excited to organise our annual ThesisIn3 competition to take place on **Wednesday 28th May, at 11.30am in the Red Room, Student Centre, refreshments from 11am.**

Research students will be challenged to present their research in three minutes for the [ThesisIn3 2025 Competition](#). Our judging panel of experts will have the opportunity to listen to the presentations on the day to select our winner. The winner will go on to represent UCD in the National Irish Universities Association (IUA) competition, see full details and [a recording of 2025 event](#) and the [Universitas21 Three Minute Thesis Competition \(3MT[®]\)](#), where they will compete with researchers from all over the globe.

We hope you will join us, good luck to all the participants and we are looking forward to seeing you all on 28th May!

WOW - 'Write on Wednesday'

Our online writing group for graduate research students will be running again this summer, starting on Wednesday, May 28th

Through two-hour [weekly](#) sessions, *Write On Wednesday* encourages students to commit to the process of live writing, whether that means starting an article or finishing a chapter; the idea is to get words down on the page.

The Writing Centre tutor sets and leads designated writing blocks, and during the breaks the students may share their writing tips and techniques that work for them. Find out more and book your place here: <https://www.ucd.ie/writingcentre/about/workshopsandseminars/>

This group is kindly sponsored by UCD Graduate Studies

PGR StudentSurvey.ie - Viva Voce examination

Following the thesis submission deadline earlier this month, we include here online resources in relation to the final assessment of your research degree, the viva voce examination. Take the time to familiarise yourself with the viva voce examination process and outcomes, especially if your viva voce date is approaching.

Based on 2023 PGR StudentSurvey.ie, 69.7% reported that the final assessment procedures for the research degree are clear to them.

Early Career Researchers

Thursday May 29th Early Career Researcher – Company Networking event.

Morning breakfast panel discussion followed by table conversations between researchers, companies and funders and then brunch.

The topic up for discussion is The PhD Talent Pipeline: jobs that don't exist yet?

The panel presents challenges and opportunities relevant to researchers/ PhDs careers, and this is discussed in groups and then moves on to networking over brunch afterwards.

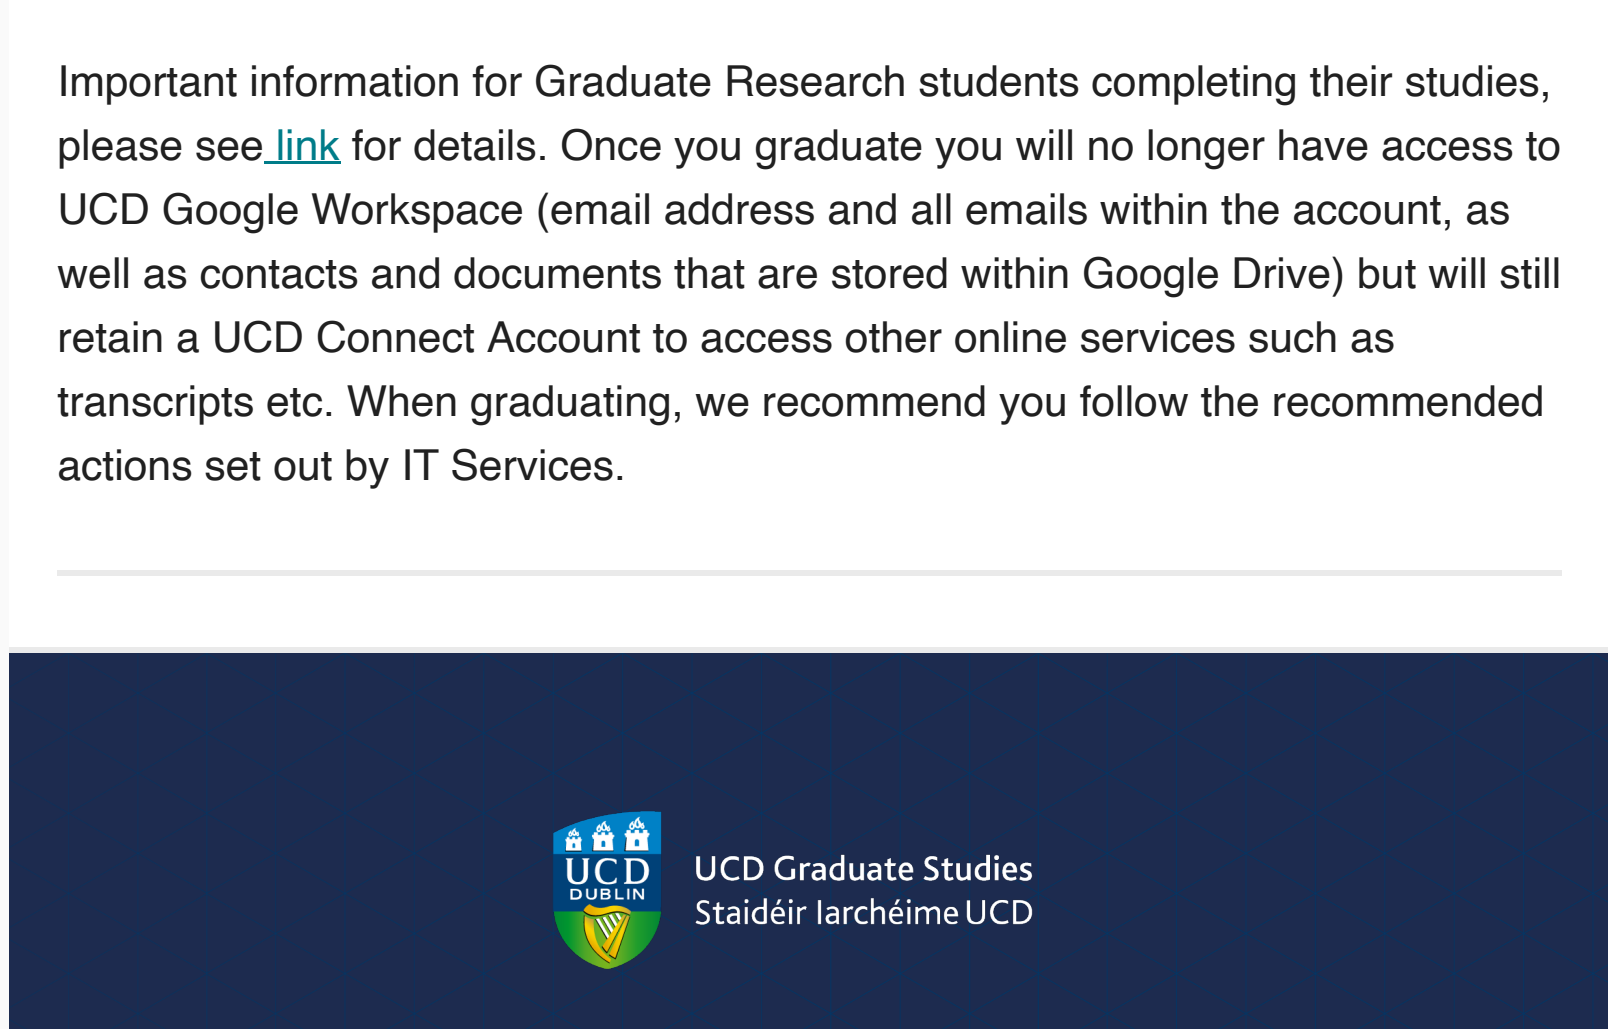

The purpose of it is to support researchers to build relationships for research collaboration or their own professional development for the future.
