

Clinical Competence Mentor/Assessor Nomination Form

Module: Examination of the Newborn

Re: Clinical Competence Mentor/Assessor Nomination Form

As part requirement of the Examination of the Newborn module, students are mentored/assessed in their own respective clinical environments.

****Further to consultation with your Director of Midwifery, Practice Development Coordinator, and clinical manager(s),** please nominate a Lead Mentor/Assessor(s) who is willing to support and supervise the required clinical examinations (minimum of 30), in collaboration with the Programme Director/Module Coordinator (UCD School of Nursing, Midwifery, and Health Systems).

The Lead Mentor/Assessor must meet the following criteria:

- Be a registered health professional holding qualifications appropriate to their specialty e.g., Consultant Paediatrician/Neonatologist, an Advanced Midwife Practitioner qualified in advanced examination of the newborn.
- Have at least 3 years' experience in paediatric/neonatal/postnatal clinical practice in the last five years.
- Prior experience in assessing student learners is essential.

Please return the completed slip below with your application.

Examination of the Newborn
