

## TCD-UCD Innovation Alliance Entrepreneurial Universities: Showcasing the Impact of Research

18 November 2010, Science Gallery, Pearse St  
12pm to 6pm

### TCD and UCD Spin-out Companies

[www.biancamed.com](http://www.biancamed.com)

BiancaMed (UCD, 2003) sells the world's only convenient, non-contact device to monitor the sleep and breathing of adults and children in the home.

BioPlastech (UCD, 2009) has developed a process which converts waste materials into a value-added, biodegradable plastic which has product applications in the packaging sector as well as in agriculture and biomedicines.

[www.cellixltd.com](http://www.cellixltd.com)

Cellix (TCD, 2004) have a range of products that mimic human blood vessels (veins and arteries) enabling pharmaceutical companies to test how new drugs will work.

[www.celticcatalysts.com](http://www.celticcatalysts.com)

Celtic Catalysts (UCD, 2000) has developed ground-breaking chemistry that enables its end-user clients in the pharmaceutical, biotech and fine chemicals industries to realise significant manufacturing cost savings.

[www.eneclann.ie](http://www.eneclann.ie)

Eneclann (TCD, 1998) determine family trees and create family histories, using historical archives, records and original research. Eneclann is a leading figure in the digitisation of national records for public use.

heystaks

[www.heystaks.com](http://www.heystaks.com)

HeyStaks (UCD, 2008) is a social search service that allows users to harness their social networks as they search on their favourite search engines and benefit from the searches of their friends, colleagues and peers.

[www.identigen.com](http://www.identigen.com)

IdentiGEN (TCD, 1996) allows supermarkets to trace the meat products on their shelves to the farms where they originated. This service is being used worldwide to ensure consumer safety.

[www.miravex.com](http://www.miravex.com)

Miravex (TCD, 2009) gives cosmetic surgeons a means to accurately measure the extent of surgery which may be required and to assess results post treatment.

[www.oncomark.com](http://www.oncomark.com)

OncoMark (UCD, 2007) is dedicated to the discovery and development of novel diagnostics and therapeutics that help to save lives and improve the quality of life of cancer patients.

[www.sonitusystems.com](http://www.sonitusystems.com)

Sonitus Systems (TCD, 2007) design and install noise monitoring systems. The information gathered allows road and planning authorities to make decisions based on their environmental impact.

## Entrepreneurial Universities: Showcasing the Impact of Research

18 November 2010, Science Gallery, Pearse St  
12pm to 6pm

## Schedule of Entrepreneurial Talks

- 12.30pm:**      **BioPlastech**  
Dr Kevin O'Connor, Founder
- 1.00pm:**        **Cellix**  
Vivienne Williams, Co-Founder & CEO
- 1.30pm:**        **BiancaMed**  
Dr Redmond Shouldice, Engineering & Product Manager
- 2.00pm:**        **Eneclann**  
Dr Brian Donovan, Co-Founder & CEO
- 2.30pm:**        **Celtic Catalysts**  
Dr Brian Kelly, Co-Founder & CEO
- 3.00pm:**        **IdentiGEN**  
Dr Ciaran Meghen, Co-Founder & Managing Director
- 3.30pm:**        **HeyStaks Technologies**  
Professor Barry Smyth, Co-Founder
- 4.00pm:**        **Miravex**  
Dr Guido Mariotto, Co-Founder & CEO
- 4.30pm:**        **OncoMark**  
Dr Dara Fitzgerald, CEO
- 5.00pm:**        **Sonitus Systems**  
Dr Paul McDonald, Co-Founder & CEO
