UCD Employment History

Displays details of your employment history in UCD, including information on all primary posts held. It also provides information on other employment events such as leaves or pay rate changes, where these events occurred later than March 2013 (date of HR data cleansing project).

The service below should not be relied upon for Pension purposes, please refer to your online pensions record through Core ESS.

Note: Due to previous restructuring projects, your historic cost centre may have been remapped to a new School or Unit.

Important Information

Note: Increment dates for all staff members who are not at the top of their scale are being reviewed on a monthly basis to ensure adherence with the specific provisions in the Haddington Road Agreement 2013 to 2016.

- Your increment date may be blank if you are at the top of your scale or it may reflect the date of your last increment.
- Your increment date could change if your circumstances change, e.g. internal secondment

Note: Should there be an amendment pending, the position details e.g. Job Title, may not correspond to the appointment details e.g. Pay. This is due to the fact that the details are mid process and once completed, both will align.
