

PHD WORKSHOP DREAM-NANO PROJECT: September 17th, 2025 “DESIGNING RESPONSIVE ADVANCED MATERIALS FOR NANOMEDICINES”

- One-day PhD training school of **UNA EUROPA**
- **Deadline for registration: extended until July, 30th 2025**
- Registration form: [Click here!](#)
- Registration is free for all attendees.
- The hands-on training is open exclusively to PhD students, with a maximum of 20 participants.

Tentative program:

**DATE: SEPTEMBER,
17th 2025, 09:00-18:30**

**LOCATION: SCHOOL OF
CHEMISTRY, COMPLUTENSE
UNIVERSITY OF MADRID
(UCM), MADRID, SPAIN**

FREE REGISTRATION

Time	Activity
08:45-09:00	Welcome
09:00-11:00	Session “Designing responsive and advanced materials for nanomedicines” co-organised by <i>NexMPI COST Action</i>
11:00-12:00	Coffee break + PhD student poster session
12:00-14:00	Session “Translating Nanotech- From Discovery to Social Impact” organised by <i>NanoCARE 2.0 network</i>
14:00-15:00	Lunch
15:00-18:30	Hands-on training: synthesis of magnetic/plasmonic NPs
