Evaluation of Applicant

How long have you known the applicant?

Under what circumstances have you known the applicant?

Would you accept the applicant for an equivalent research degree in your department? If not, state reasons.

Based on your knowledge of the applicant, how would you rate him/her in academic ability and promise of research among students you have known for the past several years? Please give your assessment of the applicant's ability under the headings set out below:

	Top 5%	Top 10%	Top 25%	Top50%	Don't know
Intellectual ability					
Willingness to work hard					
Creativity and initiative					
Organisation and resourcefulness					
Motivation and determination					
English writing ability					
English speaking ability					

In addition, please record any other comments or observations that may be relevant in assessing the applicant's likely contribution to the research programme at UCD:

Specific Comments requested by School/Supervisor, if applicable please comment on the applicant's teaching experience:

Main UCD Physics Supervisor: you must provide a confidential recommendation (to include a brief statement on general group finances and a statement to the effect that no other funding is available for the student). Students are advised to ask for this in good time to assist your supervisor and your application. Feel welcome to write here or send separately.
