BBL graduates are uniquely equipped with the analytical and advocacy skills that arise from a legal training, combined with the numeracy and financial literacy of a business degree.

“UCD and the Quinn School has shaped me as a person. Coming straight out of school at the age of 18, I had no idea where I wanted to see myself. But I took a leap of faith and came to Dublin all the way from India. But, three years down the lane- I can confidently say that it has been a life-changing journey for me.”

Avantika Pandey, Bachelor of Commerce, Graduate
