2022/23 Curriculum Management Update for Schools/Colleges: Final Edits to September-intake Majors

To: Heads of School, School Heads for Teaching & Learning, Chairs of Governing Boards, Programme Deans, Vice Principals for Teaching and Learning, College/School Office Directors, School Managers, Programme Directors, College/School Administrators, Programme Managers

Dear Colleagues

Please see below details of arrangements for final changes to 2022/23 September-intake majors and modules for the coming months.

Closed: CMS Edits to September 2022/23 Structures - Core & Option Modules

Structure edits to 2022/23 September-intake majors on the [Majors in my School](#) menu of the [Curriculum Management System \(CMS\)](#) are now closed. Please note the following arrangements for final amendments up until the start of the new Academic Year:

- Requests to amend structures (i.e. add/remove core or option modules, remove inactive modules, update Stage/Instructions to Students text) should be recorded on this [Structure Change Request form](#) for implementation by the Curriculum Team. Email submissions will not be accepted.
- Requested changes must be in line with guidance provided on the [Major Structure Review Checklist](#).
- Timetable Coordinators must be advised of any changes to structures so that corresponding changes can be made on the relevant timetable submission if required.
- Staff and Faculty with School- or College-level responsibilities should monitor the [Structures Check - Majors Missing Data](#) reports on InfoHub to ensure their major details are accurate and up to date.
- From 12 September, amendments to structures must be returned via an approved Structure Change Proposal form ([PDARF16](#)).

Closed: Programme Outcomes and Vision & Value Statements

Programme Director edits to Programme Outcomes and Vision & Value Statements for 2022/23 September-intake majors are now closed on the [Curriculum Review & Enhancement](#) menu. If any final changes are required, please return details to curriculum@ucd.ie on an approved Programme Change Proposal form ([PDARF7](#)).

Closed: Module Descriptors - Requirements/Prior Learning

Amendments to Requirements/Prior Learning (module requisites) for 2022/23 can be submitted using the [Module Descriptor Change Request form](#) for implementation by the Curriculum Team up to and including 9 September. From 12 September, these changes must be requested and approved as a module [exemption](#).

All other sections of the descriptor will remain open for edits as per the published [Module Descriptor Edit Timelines 2022/23](#). Module Coordinators have also been advised of these arrangements and a copy of the mail is appended below for your information.

If you have any queries on the details above, please contact your [College Liaison](#) or curriculum@ucd.ie.

With thanks for your cooperation in this regard as we prepare for the new Academic Year.

Kind regards

Kate Griffin
Deputy Director of Administrative Services
UCD Registry
