- Module coordinators, trimesters, status via [Module List Management - Update Module Details](#)
- Module places via [Module List Management - Update Module Places](#)
- Module descriptors via [My Modules](#)
- Programme outcomes and vision and value statements (Programme Directors only) via the [Curriculum Review and Enhancement](#) menu

Full details of timelines for the completion of edits are available on the [Curriculum Management Timelines for Schools/Colleges 2022/23](#) document on the the Curriculum Team [website](#). Module Coordinators have been informed of the relevant timelines in a separate communication. Please see email appended below.

- Enhanced reporting to support the review of curriculum details recorded for modules and majors, summarised on this [checklist](#)
- Support and assistance provided through multiple channels:
 - Your [College Liaison](#)
 - Information sessions via Zoom covering module edits and School/College responsibilities, scheduled for February - May (to include a Registry Masterclass for School and College staff in late April). The first information sessions are scheduled for Tuesday, 15 February at 11am (covering School/College responsibilities) and Thursday, 17 February at 12pm (covering module edits). Places for these dates and others can be booked via the [Booking Centre](#)
 - Weekly drop-in Q&A sessions via Zoom for Module Coordinators and Schools/Colleges. Please subscribe to this Google [calendar](#) to view times slots and links for upcoming sessions
