#### Edits to Module Descriptor: Credit Split by Trimester

Edits to the Credit Split by Trimester field on the <u>My Modules</u> menu of the CMS will close on **Friday, 27 June**. This section is relevant if your module is delivered across more than one trimester. It allows you to record a credit allocation per trimester, which supports an accurate calculation of student workload per trimester. The <u>Editing</u> <u>Modules</u> section of the Curriculum Guides & FAQs page includes resources to assist with making these edits.

All other sections of the module descriptor remain open for editing according to the published <u>Module Descriptor Edit Timelines</u>.
