

## Final Edits to Module Trimester and Status, and Careers & Skills Statements

**This email has been circulated to:** Heads of School, School Heads of Teaching & Learning, Chairs of Governing Boards, Programme Deans, Vice Principals for Teaching and Learning, College/School Office Directors, School Managers, Programme Directors, College/School Administrators, Programme Managers

Dear Colleagues,

Direct edits to 2025/26 module trimester and status, and Careers & Skills Statements are now **closed** on the [Curriculum Management System](#) (CMS).

Edits to the Credit Split by Trimester field on the module descriptor are also **closed**. A copy of the email circulated to Module Coordinators is appended below for your information.

Please note the arrangements for final amendments below.

Kind regards,

Kate Griffin

### Edits to Module Trimester and Status Closed

Edits to module trimester and status on the CMS are now closed. If you need to make final adjustments to these details up to and including 5 September, fill out the [Module Descriptor Change Request Form](#). A member of the Curriculum Team will action your request and confirm when changes are complete.

Edits to the trimester and status of modules can have wider operational implications for September-intake major structures. The [Changes to Modules on September Majors for 2025/26 from 19 May-5 September](#) section of the Curriculum website outlines actions required from Schools and Colleges in these instances.

The [Module List Management - Update Module Places](#) menu will remain open for changes to capacities until **Friday, 1 August**. Module Coordinator details can be updated year-round on [Module List Management - Update Module Details](#). See the published [Module List Management timelines](#) for further details.
