Brightspace Grade Transfer Issue

This email has been circulated to: Module Coordinators

Dear :FORENAME

We are currently experiencing an issue affecting the transfer of grades from Brightspace that we understand occurred at approximately 12pm yesterday afternoon.

The other methods of grade entry via spreadsheet upload or direct entry remain unaffected.

Grades already entered in Brightspace or directly continue to be held securely and all related systems are unaffected.

IT Services are working as a high priority to resolve the issue.

Kind Regards,

Karen McHugh
