Change to Resit Fee for 2023/24 onwards

To: College Office Directors, College Office Administrators, Programme Managers, School Administrators, School Managers, Student Advisers, UCD Registry

Dear Colleague,

As you may be aware, the Resit and Repeat Assessment Working Group was reconvened to review contemporary data pertaining to resit and repeat statistics and total charges, review the original principles in the light of that data and make recommendations on future resit assessment and repeat module fees.

What you need to know

In April 2023, UMT approved that, effective from 2023/24, **no charge will be incurred for Resit Modules**. Repeat Module fees will remain unchanged at €230.

The Students' Union will initially communicate this change to students.

The Current Students website will be updated to reflect the change.

Who will it affect?

Students registering for resit assessments from 2023/24 onwards.

Kind regards,

Caroline Barrett
