## Fee Summary information available in Banner

To: Users of ISD001 Fees Report by Student/ISD001 Student Desk Fees Report, FEE500 One Student Fee Info

Dear Colleague,

You are receiving this email because you use either of the **ISD001 Fees Reports** and/or **FEE500 One Student Fee Info**.

The current InfoView (Business Objects) licence is coming to an end in December 2021 and InfoView will be retired as a UCD reporting tool.

These fees reports will be decommissioned on 20 September 2021. To replace them, you have access to **TSICSRV - Customer Service Inquiry Form** in Banner. This will give you ready access to the fee information you need to best support your students.

Read this [quick reference guide to using TSICSRV](#).

### What you get

- Read-only summary of fees across multiple years
- Dynamic information with updates in real-time
- Ready access to the information you need through a common tool
- Fee information is available through the same tool that provides registration and assessment information

### What you need to know

The use of student data in Banner is subject to the [UCD GDPR Policies and Procedures](#).

Personal student data should only be accessed by staff where they have a legitimate interest in the data in order to provide support to their students. Please read the [Principles of using Banner, InfoView, InfoHub & SISWeb](#).

If you have any queries about the information appearing in the TSICSRV form or about Banner access, please [use this form](#).

Kind regards,

Jeremy Britton
