Exams Manager Portal Now Open

The Exams Manager portal is now available for uploading exam question papers. Key details:

- **Submission Deadline:** All in-person exam question papers requiring printing and delivery to an exam centre must be submitted through the Exams Manager portal by **Wednesday, 19 November 2025.**
- Exam papers not submitted through the portal won't be printed centrally and must be delivered to the exam centres by the School at least 48 hours before the exam.
- **Approval Process:** Ensure your exam papers complete both administrative and academic approval steps before the deadline. Once these approvals are complete,

no further checks on content or accuracy will be carried out, and your paper will proceed directly to print.You should thoroughly review your papers to avoid any issues and errors at exam centres. Errors cause significant distress to students and all measures should be taken to avoid this from occurring.
- Please select colour printing only when necessary, for example, minor elements such as underlined words do not require colour printing.

Access to the Portal

Automatic Access: Heads of Schools, School Managers, and Module Coordinators listed in the Curriculum Management System (CMS) have automatic access to the portal.
Additional Access: Schools can grant further access as needed through the portal.

Action Required

Ensure exam papers for the end-of-trimester in-person exams are uploaded by **Wednesday, 19 November 2025**.
Share this information with relevant faculty and staff in your area.
