**UCD REGISTRY****Invitation: School Grading Summary demonstrations**

To: Head of Schools, School Managers, Director of School Offices, Director of College Offices, Innovation Academy

Dear Colleagues,

To support Schools in their use of School Grading Summary reporting in Infohub during the SMEC periods of the Grade Approvals Processes we are offering live demonstrations of this reporting during November.

- The sessions will take place over zoom.
- They will be a maximum of 60 mins in duration.
- They will cover the existing reporting and functionality available in the School Grading Summary.

If you are interested in attending one of these sessions please complete this [Google Form](#) on behalf of your School/Unit.

We will then share the zoom details with you and ask you to share with any colleagues within your School who you would also like to attend.

Kind regards,

The Grading Support Team
