A Chairde,

**Re: Update for PEBs/Governing Boards - Graduate Taught 2024/25 Grade Approvals Process**

We write to advise that, pending any outstanding queries we may have already contacted your office about, the Assessment bulk processing of GPA records has now been completed and we invite you to begin reviewing your [Programme Exam Board reports](#).

All Programmes should be signed off by their PEB in Infohub by **5pm on Wednesday 24 September**.

#### Release of Results:

- Results from this grading period will be made available to students on **Thursday, 25 September 2025**.
- Students will receive an email at some point on the day containing a secure personalised link which will bring them directly to their results page. The order in which the emails go out is random, but all students should have been emailed by **14.00 on Thursday, 25 September**. This is the only way in which they will be able to access their results on that day. This information is available to students on the [Current Students Exam Results webpage](#).

Please see our [Grading Support team September Workvivo post](#) for further information for the coming trimester.

Please contact us at [grading.support@ucd.ie](mailto:grading.support@ucd.ie) for further assistance.
