**This email has been circulated to:** Programme Deans, Directors of College Offices, School and College Office Directors, Programme and Operations Managers, Programme Managers, College Administrators - Programmes and Students, Programme Office Administrators, Innovation Academy

A Chairde,

#### Re: Update for PEBs/Governing Boards Spring 2024/25 Grade Approvals Process

We write to advise that, pending any outstanding queries we may have already contacted your office about, the Assessment bulk processing of GPA records has now been completed and we invite you to begin reviewing your [Programme Exam Board reports](#).

All Programmes should be signed off by their PEB in Infohub by **5pm on Thursday 19 June**.

#### Release of Results:

- Results from the Spring Trimester grading period will be made available to students on **Friday, 20 June 2025**.
- Students will receive an email at some point on the day containing a secure personalised link which will bring them directly to their results page. The order in which the emails go out is random, but all students should have been emailed by **14.00 on Friday, 20 June**. This is the only way in which they will be able to access their results on that day. This information is available to students on the [Current Students Exam Results webpage](#).

#### Undergraduate Summer Resits:

- We can also advise that Undergraduate students who have Summer Resits and complete through the Undergraduate Summer trimester Grade Approvals Process in August will be eligible to graduate in September. This is thanks to updated deadlines from UCD Conferring. Please see [Assessment Key dates webpage](#) for the timelines of that Grade Approvals Process.

Please contact us at [grading.support@ucd.ie](mailto:grading.support@ucd.ie) for further assistance.
