Dear Colleagues

We are writing to invite you to participate in an informal short feedback session about your experience of the Examiner Nomination Form if using this form is relevant to your role. The purpose of this session is to collect and analyse your feedback. It will be used to improve the user experience of the Examiner Nomination form when nominating Special Extern Examiners for graduate research degree exam committees.

Feedback sessions are scheduled to take place over zoom and will be either one-to-one or with a group of participants to be facilitated by a member of the UCD Assessment team. The session will not be recorded; notes will be taken on your comments and anonymised. Your input would be much appreciated.

Please [complete the Google form](#) as soon as possible if you wish to participate listing all possible dates and times of your availability. Feedback sessions will take place up until Wednesday 20 July.

Thank you in advance for your consideration of this request. Please do not hesitate to contact us if you have any further queries.

Kind Regards,

Policy & Graduate Support Team
