Allocation Policy 2019-20

Overview and Allocation of Spaces 2019-20

UCD Residences has 3,168 bed spaces available to students. While all University students are eligible to book accommodation, currently there are not enough spaces for all students to live on campus. Therefore, to ensure broad availability the spaces have been allocated across a number of different groups. As a result, due to a limited number of spaces, people need to apply in a timely fashion when the waitlist etc. open.
