YuJa: Video Management Software

Accessible via
each module.

Upload video
content to
store, share
edit and embed
in Brightspace.

Record lectures
and
presentations,
which can then
be stored long
term.

Link your Zoom
account to
import, store
and share
recordings.

Create
interactive
video quizzes.

Automatically
generates
closed
captions and
transcripts.

Introduction to YuJa

Accessing YuJa

The screenshot displays the Canvas LMS interface. At the top, a navigation bar includes links for 'My Learning', 'Assessment', 'Discussions', 'Library', and 'Module Tools'. The 'Module Tools' dropdown menu is open, showing a list of options: 'Module Admin', 'Ally Report', 'Announcements', 'Checklist', 'ePortfolio', 'FAQ', 'Glossary', 'Intelligent Agents', 'Rubrics', 'Self Assessments', 'Surveys', 'Video Assignments', 'Video Content (YuJa)', and 'Virtual Classroom'. The 'Video Content (YuJa)' option is highlighted with a red box. An arrow points from this option to a video player in the 'Media Library' section. The video player shows a blue abstract image and the title 'My Event on Wednesday, January 25, 2023'. Above the video player, a red box highlights the user profile 'areilly3_sbox - A...'. A red box at the bottom left contains the text 'Opens in the module's section.'.

My Media Section

The screenshot shows the 'Media Library' interface. At the top, there's a blue header with 'Media Library' on the left, and 'Manage Media' and 'Create Recording' on the right. Below the header is a search bar labeled 'Search for media'. To the right of the search bar are icons for search, filter, and info, followed by a 'NEW FOLDER' button (highlighted with a red box), 'NEW PLAYLIST', 'UPLOAD', 'GO BACK', and 'MORE ACTIONS'. On the left side, there's a sidebar with 'My Media' (highlighted with a red box), 'All Modules', 'Shared Media', 'Favorites', 'Shared Collections', 'VideoTube', and 'Shared Folders'. The main area displays a grid of folders: 'Chem UDL', 'CoS Workshop recor...' (highlighted with a red box), 'CoS Website', 'Videos', 'Workshops', and 'Default'. Below the folders are video thumbnails. Two red arrows point from text boxes at the bottom to the 'My Media' sidebar item and the 'CoS Workshop recor...' folder.

Good practice to go to My Media: an overall storage section. Not associated with specific modules.

Create folders to store your content by module/topic.

Uploading Videos

The screenshot displays the 'Media Library' interface. At the top, there's a blue header with 'Media Library' on the left, and 'Manage Media' and 'Create Recording' on the right. Below the header is a search bar labeled 'Search for media'. To the right of the search bar are icons for search, filter, and info, followed by buttons for 'NEW FOLDER', 'NEW PLAYLIST', and 'UPLOAD' (which is highlighted with a red box). Further right are 'GO BACK' and 'MORE ACTIONS' buttons. Below the search bar, there's a sidebar on the left with 'PERSONAL' and 'My Media' sections. The main area shows a grid of media items: 'CoS Website', 'Videos', 'Brightspace Instructional ...', and 'YuJa Folder'. The 'Videos' item is selected, and a modal window is open for uploading. The modal has a title bar with icons for VIDEO, AUDIO, DOCUMENTS, LINK, and VR. The main content of the modal is a large dashed box with an upload icon and the text 'Drag and Drop or Browse'. Below this box is an 'Add Tags' input field. At the bottom of the modal are 'Actions' buttons: 'Publish' and 'Manage Captions', and a 'Cancel' button in the bottom right corner.

The More button opens a new page with detailed analytics

Expanded Analytics

Hover your mouse over the toolbar on the left to view the menu.

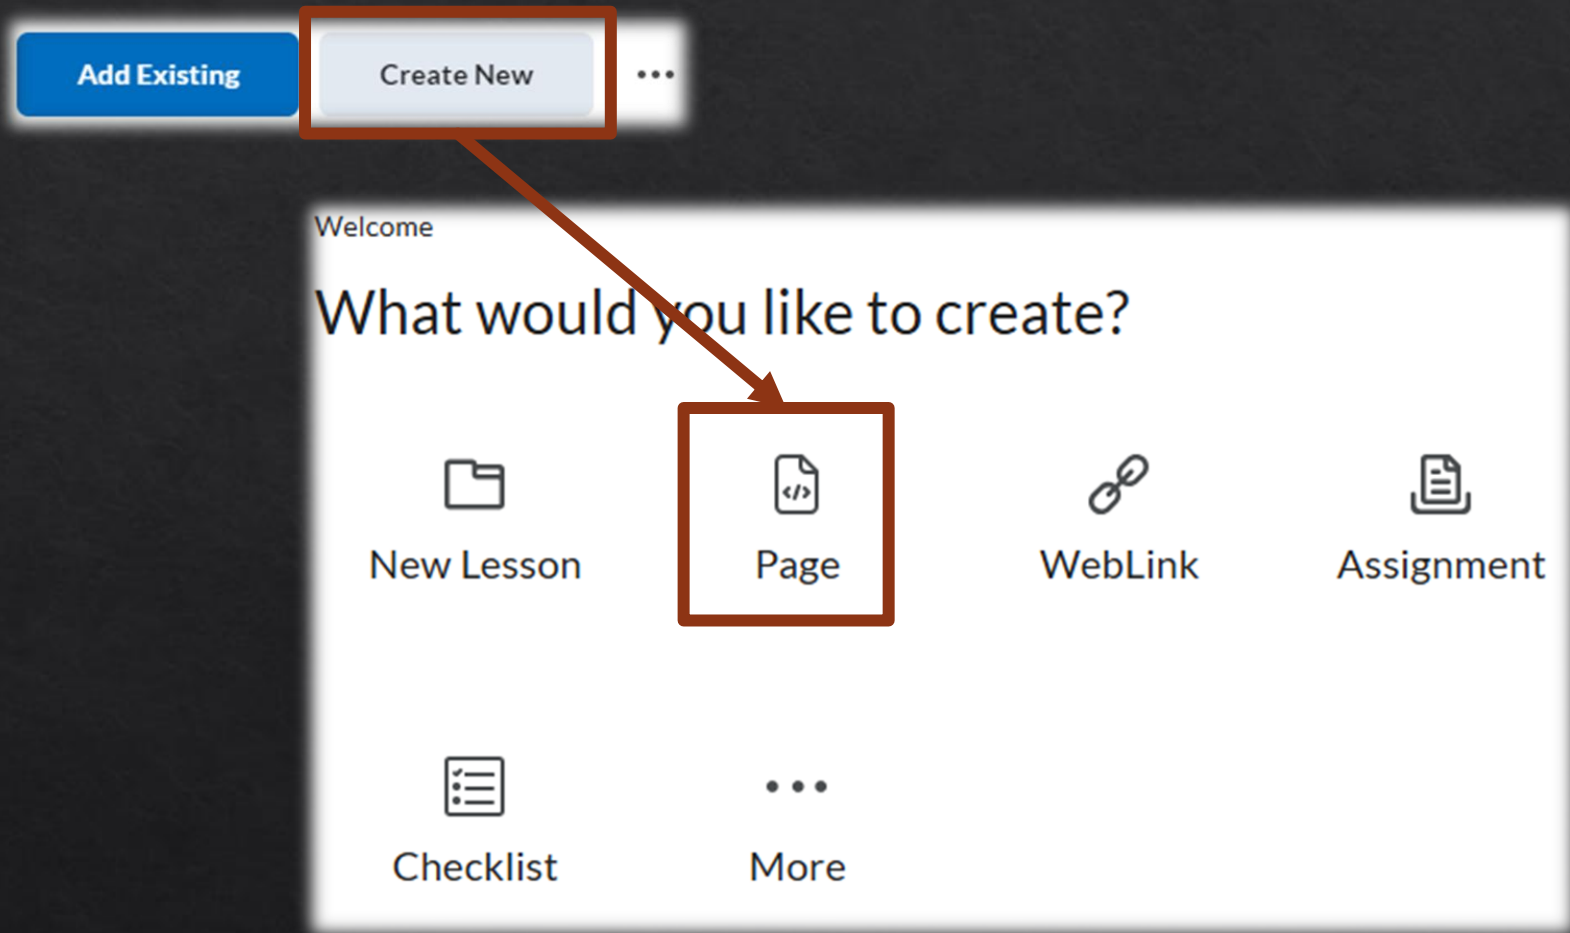

- ◆ **Content** shows interactions with videos: use dropdown to view stats for others.
- ◆ **Users** has information on individual students: select a course and then student name and **Get report**.

Add a YuJa Video to a Brightspace Module

Add a Video to Brightspace (Part I)

◆ Go to **My Learning** and the relevant unit/subunit

Add Video to Brightspace (Part II)

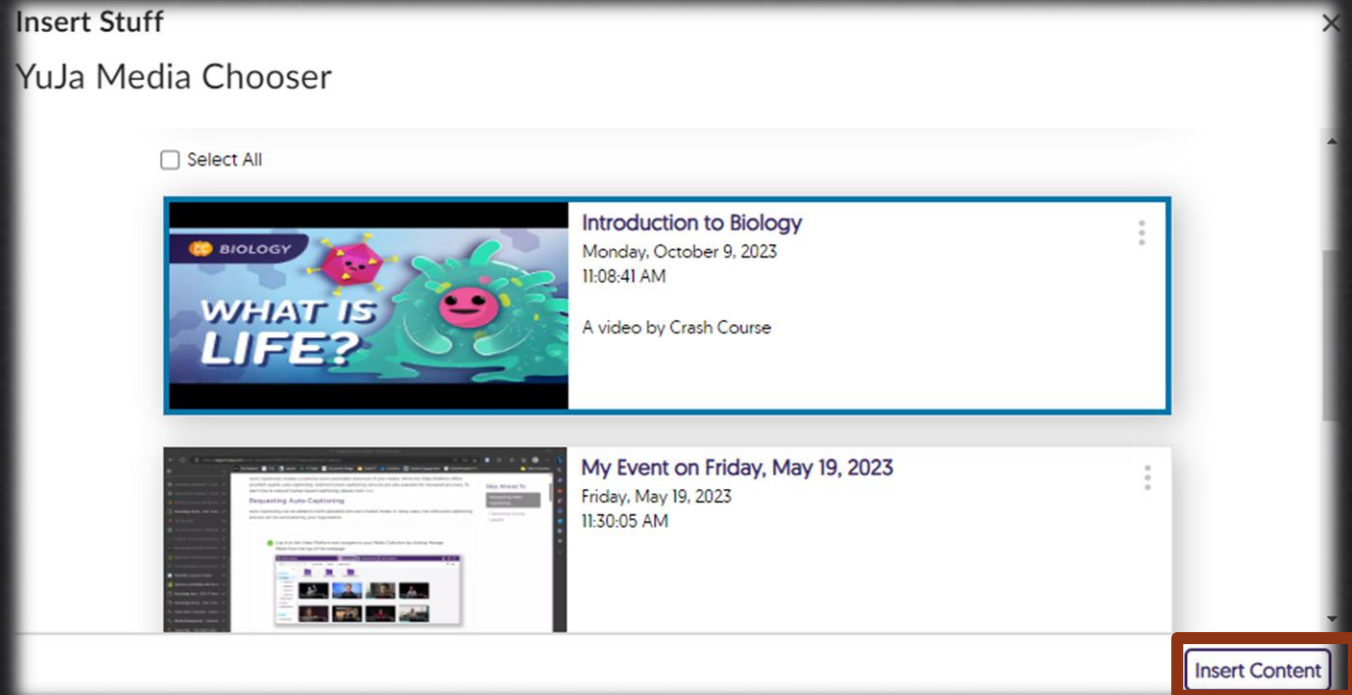

Select Insert Stuff.

Click on YuJa Media Chooser.

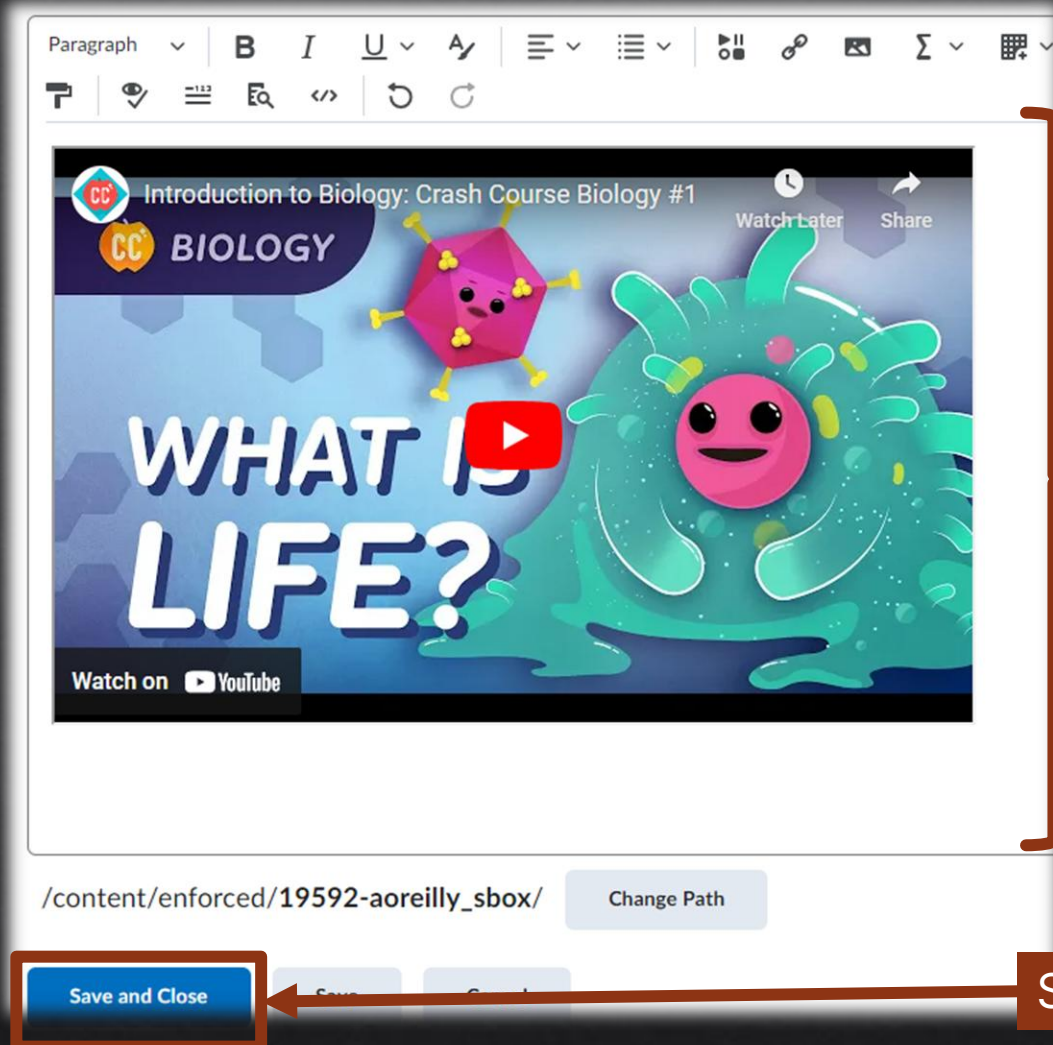

Select video(s) and then Insert Content.

Add Video to Brightspace (Part III)

◆ Select **Insert** if happy with the preview.

You can then add additional content to the page with the video: text, links etc.

Save and Close when finished.

Creating a Screen Cast Recording

Create a Recording

The screenshot displays the 'Media Library' interface. At the top, there is a blue header bar with the 'Media Library' logo on the left and two buttons on the right: 'Manage Media' and 'Create Recording'. The 'Create Recording' button is highlighted with a red border. Below the header is a search bar with the placeholder text 'Search for media' and several icons for search, filter, and information. To the right of the search bar are buttons for 'NEW FOLDER', 'NEW PLAYLIST', 'UPLOAD', 'GO BACK', and 'MORE ACTIONS'. Below these buttons is a row of four folder cards: 'CoS Website', 'Videos', 'Brightspace Instructional ...', and 'YuJa Folder'. On the left side of the interface, there is a sidebar with a 'PERSONAL' section and a 'My Media' section. In the center, a 'Create Recording' dialog box is open. It has a title bar with a close button. Inside the dialog, there are two options: 'Browser Capture' and 'Software Capture'. The 'Browser Capture' option is highlighted with a red border. Below these options is a 'Launch Application' button. An arrow points from the 'Browser Capture' option to a text box on the right.

Students using YuJa: Submitting Video Assignments

Setting up Assignment for Video Submission

Submission & Completion ▼

Assignment Type

- ☒ Individual Assignment
- ☐ Group Assignment

Submission Type

Text submission ▼

Submissions

- ☒ All submissions are kept
- ☐ Only one submission allowed
- ☐ Only the most recent submission is kept

As part of assignment settings, select Text Submission. Students will then submit their assignment through the [Brightspace editor](#).

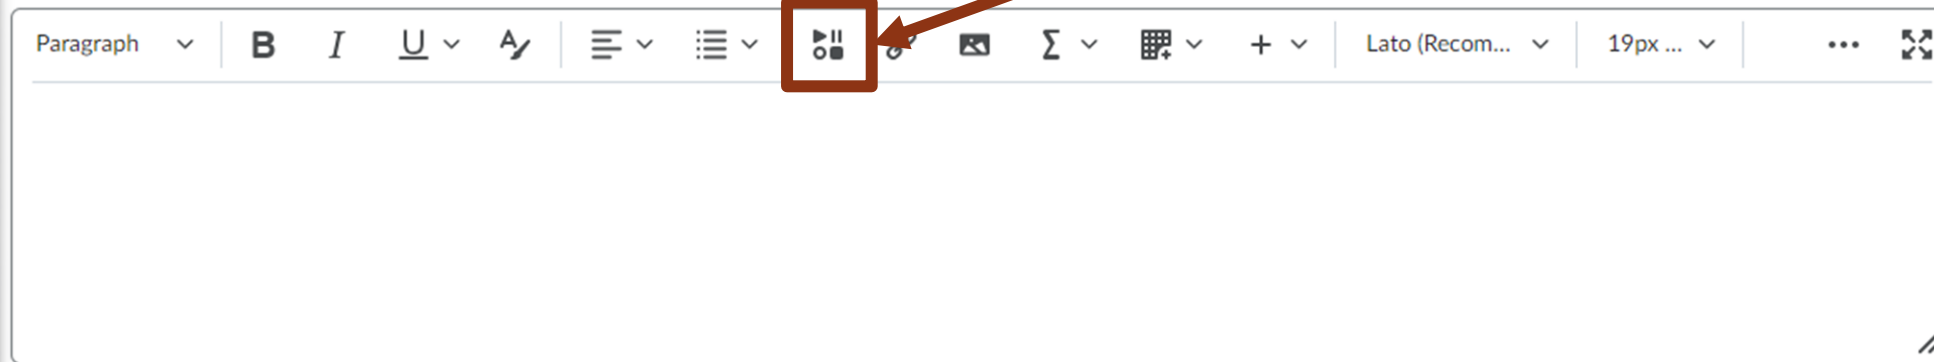

Students Submitting their Video Assignment

- ◆ Students upload/record video on YuJa in the same way as described above.

Submit

Text submission

Text Submission

A screenshot of a submission interface. At the top, there's a title bar 'Submit' and a label 'Text submission'. Below that, a 'Text Submission' label is followed by a rich text editor toolbar. The toolbar contains various icons for text formatting (bold, italic, underline, strikethrough), alignment, bulleted and numbered lists, a link icon, a table icon, a math symbol, and a plus sign for more options. A red square box highlights the 'Insert Stuff' icon, which is a play button with a square inside. An arrow points from a text box to this icon. Below the toolbar is a large text area for the submission. At the bottom, there are two buttons: 'Submit' (blue) and 'Cancel' (light blue).

Select Insert Stuff, and then YuJa Media Chooser, the same process as adding a YuJa video to a module.
