

French Teaching Arrangements 2020-21 - Trimester 1

French module information for incoming and continuing students

In the autumn trimester 2020 our modules are being delivered in a variety of formats: our lectures will all be delivered online. Sometimes you will have a *choice* of a face-to-face or an online seminar class; in many cases, the module seminars will be online only. Students who are unable to attend online or face-to-face classes will be facilitated as best we can where this is for reasons of health, or other COVID-related circumstances. The best way to understand how and when your modules will be delivered is to check out the descriptors, which provide detailed information.
