Italian Teaching Arrangements 2020-21 - Trimester 1

Italian module information for incoming and continuing students

In the autumn trimester 2020 Italian modules are delivered online. In addition, the language modules for first and second year (not final year) include optional extra face-to-face practice sessions on campus. These provide an opportunity to practise in a face-to-face setting, but they do not cover new ground and students who cannot attend them are not penalized. The best way to understand how and when your modules will be delivered is to check out the descriptors, which provide detailed information. Click on your programme link below and then go to the button marked 'view all modules'.
