Linguistics Teaching Arrangements 2020-21 - Trimester 1

Linguistics module information for incoming, continuing and postgraduate students

In the autumn trimester 2020 our modules are being delivered in a variety of formats: all lectures will be delivered online; in the case of modules with tutorials, sometimes you will have a *choice* of a face-to-face or an online tutorial, sometimes the tutorial will be online only, and sometimes the tutorial will be face-to-face only. Students who are unable to attend tutorials that are face-to-face only will be facilitated if they are unable to attend campus for reasons of health or other COVID-related circumstances. The best way to understand how and when your modules will be delivered is to check out the descriptors, which provide detailed information.
