

THUR 8TH NOV, 6.30PM

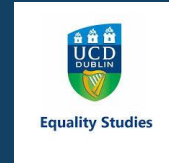

SEMINAR ROOM

UCD GEARY INSTITUTE

**‘THE GREEK DEBACLE:
CRISIS MANAGEMENT
OR MANAGEMENT OF
INEQUALITY?’**

Pavlos Roufos: Researcher on German economic policy at the University of Kassel, Germany.

Noam Chomsky has described his 2018 book as “A careful and penetrating analysis of the cruel torment of Greece, and its background in the emerging global political economy, as the regimented capitalism of the early post-war period, with gains for much of the population, has been subjected to the assault of neoliberal globalization, with grim effects and threatening consequences.”

Equality Studies Centre

at the

**UCD School of Social
Policy, Social Work and
Social Justice**

with

**The Dublin European
Institute, SPIRE**
