The following lists of 10 are sources which I just couldn’t find titled under headings for the reason why:

Too little info leading to too many potential sources appearing in searches:

Anon, ( ) *The Treaty of Lisbon*,

Anon, *Political Parties*, Oxford University Press, USA

*Declaration of Independence and The Constitution of the United States of America*

Same as previous, but also certain books by Bagehot dating from 1870s, too historical?:

Bagehot, W., *The English Constitution Sixth Impression*

Could not find matching book, only articles:

Miguel, L.F., Biroli, F. (eds.), ‘Partidos Politicos’, *Revista Brasileira de Ciência Política*

No related sources found with this particular title what so ever:

Same as above, but only found second title (after ‘- - -’) with same two authors:
