

UCD REGISTRY

REGISTRATION TO LABS, TUTORIALS AND PRACTICALS IS UNDERWAY

Dear Student,

We are currently registering you to the relevant labs, tutorials and practicals for certain Semester 1 modules. The full list of modules is available at: www.ucd.ie/students/fitting.html.

What you need to know

During this process, you will not be able to register to or drop these modules. Registered modules will still appear on your calendar.

We will send you an email later in the week to let you know that the process is finished.

Please note

You can still register to available elective modules while this process is taking place.

If you have any queries, please contact us using the [Student Desk Connector](#).

Regards,

Ryan Teevan
