### Spring Trimester, Online Assessments Timetable Available

Dear: FORENAME,

The final confirmed Spring Trimester Exam Timetable for scheduled online assessments is now available on the UCD [Current Students website](#). If you have a query relating to a module that does not appear on the Exam Timetable and you have not been informed by your Module Coordinator that it is a take home assessment, please note that the relevant School and Module Coordinator will provide details of the exam directly to you.

Where programme configuration permits, an individualised Exam Timetable will be available shortly on your UCD Connect Account on [SISWeb](#).

**Please note the following;**

Spring end-trimester assessments will now take place from **Tuesday, 5 May to Saturday, 23 May**. Exams have been scheduled in daily slots at 9am or 2pm. Your Module Coordinator will confirm the exact start/end time and duration of your exam.

Provisional results for the Spring trimester have also been adjusted and will be available on **Monday, 22 June**. Final results will be issued on **Tuesday, 14 July**.
